New Assistant to the City Manager

Osawatomie, Kansas – Assistant City Manager Meagan Borth tendered her resignation with the City of Osawatomie effective December 27th, 2019. Miss Borth accepted a new position in the city of Lake Jackson, Texas, which she announced to city staff in early December. Miss Borth agreed to stay and assist in the search for a suitable replacement.

After an intensive search, which resulted in interviews with four capable candidates from across the region, Interim City Manager Mike Smith decided to promote an internal applicant.

Samantha Moon, longtime Osawatomie resident and current Osawatomie Public Library staff member, will be joining the City Hall staff as Assistant to the City Manager effective January 6th, 2020.

Miss Moon studied English and Creative Writing at Baker University and spent 15 years working in grocery retail, reaching the position of Store Manager, before joining the Library staff in July 2019. Miss Moon has also served in a variety of community service positions, including several years on the former John Brown Jamboree committee and as the current Vice President of the library's Board of Directors. We're looking forward to her joining us in January.

Miss Borth proved invaluable during her tenure as Assistant City Manager and we wish her well in her next chapter.
