  - F. Resolution 1110 Budget Calendar
  - G. Resolution 1111 Resolution Authorizing Improvements to the City Public Water Supply System and Providing for the Payment of the Costs Thereof
- 11. Council Report
- 12. Mayor's Report
- 13. City Manager & Staff Report
- 14. Adjourn

Osawatomie, Kansas. **February 9, 2023.** The Council Meeting was held at Memorial Hall located at 411 11 Street. Mayor Nick Hampson called the meeting to order at 6:30 p.m. Council members present were: Schasteen, Macek, Diehm, Dickinson, LaDuex, Bratton, Filipin and Caldwell. City Staff present at the meeting were City Manager Mike Scanlon, Deputy City Manager Bret Glendening, City Clerk Tammy Seamands City Attorney Jeff Deane, Utilities Director Terry Upshaw, Public Works Director Michele Silsbee and Business Liaison Kari Bradley. Members of the public were: Jeff Yelton.

### INVOCATION. - Jeff Yelton, Osawatomie State Hospital

CONSENT AGENDA. Approval of February 9<sup>th</sup> Agenda, January 26<sup>th</sup> Council Meeting Minutes, February 2<sup>nd</sup> Council Meeting Minutes, Pay Application – Western Consultants – WWTP Improvements - \$3,514.00, Pay Application – BG Consultants – WWTP Improvements - \$13,097.99, Pay Application – BG Consultants – Water Distribution Design - \$69,750.00, Pay Application – BG Consultants – Water Treatment Design - \$71,071.00, Pay Application – BG Consultants – 2022/2023 Street Design - \$58,558.50, Special Event Permit – Play Street. Motion made by Caldwell, seconded by Bratton to approve the consent agenda without the Special Event Permit – Play Street. Yeas: All. Motion made by Caldwell, seconded by LaDuex to approve the Special Event Permit – Play Street. Yeas: All.

**COMMENTS FROM THE PUBLIC.** – None.

**PUBLIC HEARINGS.** – None.

PRESENTATIONS, PROCLAMATIONS AND APPOINTMENTS. – None.

**UNFINISHED BUSINESS. - None.** 

**NEW BUSINESS.** 

RESOLUTION 1096 –WWTP CHANGE ORDER #3 – ADDS/DEDUCTS TO SCOPE OF WORK - Additional control wiring and removal of existing salvage starters plus the removal of heat tracing requirements. Total Cost w/ Fees: \$1,598.00

Installation of switch for UV Building Lighting. Addition of switch. Total Cost w/ Fees: \$1,200.00

Removal of plug valves and demolition of old waste activated sludge (WAS) piping. Originally, we had intended to remove the entirety of the WAS line. During the course of construction, it was determined that removing the entire length of the line was unnecessary. Total Cost w/ Fees: (\$4,394). Total Change Order Proposal: (\$1,596)

**Motion** made by LaDuex, seconded by Dickinson to approve Resolution 1096– Authorizing a change order request to make certain changes to the electrical scope of work and remove waste activated sludge piping for the 2022 wastewater treatment plant project for the City of Osawatomie as presented. Yeas: All

RESOLUTION 1097 – WWTP REQUEST FOR EXTENSION OF TIME TO CDBG– All projects that are funded with CDBG monies must be completed within the initial time frame as described in the application for the grant as well as that grant's agreement. Due to the ongoing and previously discussed delays to equipment deliveries (see Change Order #1 to this project) our project which is currently scheduled for completion on 2/28, will not be completed by this date. **Motion** made by Dickinson, seconded by LaDuex to approve Resolution 1097 –Authorizing a request to the community development block grant program requesting an extension of time to complete the wastewater treatment plant project for the City of Osawatomie as presented. Yeas: All.

REPLACEMENT IN 2024 – On 11/10/2022 the council adopted Resolution 1067 which called out the streets below, minus Pacific from 4th to 6th. After having cost estimates developed, it was determined that we could add this segment of street to the 2024 plan and complete the replacement of all streets around and leading up to, the Osawatomie Middle School. Additionally, 4th Street could also be replaced up to Chestnut, which makes sense to do since Chestnut from 4th to 6th is also scheduled for 2024 and that intersection will need to be removed (at least in part) anyway, and would save money in the long term by avoiding the removal of new construction. Also of note, 4th Street from Main St. to Brown Ave. will be a mill and overlay project only.

2024 Full Replacement
4th Street – Parker to Brown
1st - Main to North Levee
5th - Alley to Chestnut
Pacific – 4th to 6th
Chestnut- 4th to 6th
4th Street – Brown to Chestnut

Total cost estimate for these streets (design, construction and construction observation) will be at, or slightly below, \$4,300,000 based on current bid lettings and provided that costs do not increase exponentially. Our Director of Public Works could perform most of the construction observation with the exception of materials testing and density testing, which would save us approximately \$350,000. These funds could be used for mill and overlay projects that have already been identified

**Motion** made by Dickinson, seconded by Schasteen to approve Resolution 1104 – Directing city staff to update the street priority plan presented for the 2024 and 2025 calendar years as presented. Yeas: All.

**EXECUTIVE SESSION** – **Motion** made by Dickinson, seconded by Schasteen that the City Council recess into closed, executive session for the purpose of discussing acquisition of real property pursuant to the exception in K.S.A. 75-4319 (b)(6). The closed meeting will last 15 minutes and will resume here in City Hall at 7:00 p.m. Also attending will be City Manager Mike Scanlon, Deputy City Manager Bret Glendening, City Attorney Jeff Deane and City Clerk Tammy Seamands. Yeas: All.

The council meeting resumed to open session at 7:00 p.m. with no action taken.

### **COUNCIL REPORTS**

Lawrence Dickinson ~ The Legislative breakfast is Saturday at 7:00 a.m. in the high school auditorium.

Kevin Schasteen  $\sim$  I want to say thanks to Tammy and Sam for getting me setup. I also want to thank Michele and her crew. Osawatomie had the best roads to drive on today. I woke up hearing the snow plows going down my street.

**MAYOR'S REPORT** – I want to thank staff for all their work on grants – Mike was telling me there's something like 6 in the queue and several we will be administering and working on through the summer.

I want to thank Kari for getting the Legislative Breakfast put together. These breakfasts can be hard to schedule given all the elected officials she's trying to corral.

Somebody that I appreciate and her work goes unnoticed is Tammy. Tammy always has everything I need ready to sign and she's always available for any questions I have and I know that other City Councilmembers have — Thank you Tammy.

There's lots of stuff coming up in the weeks/months ahead so I've asked Mike to put a calendar out through June that we can look at.... including

- a. Groundbreaking on sixth
- b. Ribbon cutting at the Wastewater Plant
- c. Stan Heard art unveiling in Brown Park on June 17th at John Brown Park
- d. Easter Egg hunts / Alumni Weekend / John Brown Jamboree / Lights on the Lake
- e. Arbor Day and Hot Dog Festival at the Elementary School (Something we are expanding from last year).
- f. Ribbon Cuttings on building remodels downtown.
- g. Ground breaking for 10-Acres.

Just to name a few....

### CITY MANAGER & STAFF REPORTS.

Mike Scanlon ~ Today we had a visit from the interim director of the Kansas State Historical Society. We caught their interest because we have been working with our legislators, state senators and local representors to get a bill introduced. Chad Tenpenny got a bill written that would take back the cabin and the battlefield and give it back to the City of Osawatomie. That has generated a lot of interest from the Kansas State Historical Society. Caryn Tyson would be the one that would present the bill.

Bret Glendening ~ Michele has been working diligently to get a lot of information put into Pubworks. She is the first department head to be able to create charts like the one I am passing

around. I have asked Michele to help the other department heads so that they can get up to speed on using this software.

Michele Silsbee – discussed the handout. It is an overview of the project cost comparison summary for January 2023.

### OTHER DISCUSSION/MOTIONS.

**Motion** made by LaDuex seconded by Bratton to adjourn. Yeas: All. The mayor declared the meeting adjourned at 07:18 p.m.

/s/ Tammy Seamands
Tammy Seamands, City Clerk

Deputy City Manager	From:	Bret Glendening

RE: Adoption of procurement regulations for USDA Loan/Grant for Water Project

**RECOMMENDATION:** That the City Council approve Resolution 1105.

### **DETAILS:**

As we move through the underwriting process with the USDA, they identify items that they require to have in their file prior to approving the loan and issuing the letter of conditions which KDHE needs in order to finalize their review of the state revolving loan fund application and issue the loan documents for us to execute. The procurement procedures detailed in Resolution 1105 are an example of this.

#### **RESOLUTION NO. 1105**

# RESOLUTION OF THE CITY OF OSAWATOMIE, KANSAS ADOPTING AND PROVIDING FOR STANDARDS FOR PROCUREMENT, BIDDING, AND CONTRACT AWARDS

WHEREAS, the City of Osawatomie, Miami County, Kansas, has applied for a loan to be made or insured by the United States of America acting through the USDA Rural Development (herein called the Government) for the construction of facilities to be owned and operated by the City of Osawatomie and the Government's regulations require that the City of Osawatomie adopt standards (a) relating to the conduct of its officers, employees, and agents in contracting and in expending loan funds and (b) establishing procurement and contracting procedures; and

WHEREAS, these procurement regulations are adopted for the sole and specific purpose of expending funds applicable for the water treatment and distribution project.

**NOW, THEREFORE BE IT RESOLVED** that the City of Osawatomie, Miami, County, Kansas does hereby adopt the standards of conduct and procurement set forth in those regulations of the USDA Rural Development appearing in RUS Instruction 1780 Section 1780.70 thru 1780.72, provided however that in those instances where funds derived from loans made or insured by, or grants made by, the Government are not involved, prior consent or approval of the Government as provided in such regulations shall not be required.

**THIS RESOLUTION** adopted by the Governing Body of the City of Osawatomie, Miami County, Kansas this 23<sup>rd</sup> day of February, 2023.

APPROVED	AND	<b>SIGNED</b>	by the	Mayor.
----------	-----	---------------	--------	--------

Nick Ham	pson, Mayor	

### **CERTIFICATE**

I, Tammy Seamands, City Clerk of the City of Osawatomie, Miami County, Kansas hereby certify that the foregoing resolution was adopted by the Governing Body of the City of Osawatomie, Miami County, Kansas on the date stated above at a meeting duly held.

Attach Section 1780.70 thru 1780.72, RD Instruction 1780

**SEAL** 

Tammy Seamands, City Clerk

### §1780.70 Owner's procurement regulations.

Owner's procurement requirements must comply with the following standards:

- (a) Code of conduct. Owners shall maintain a written code or standards of conduct which shall govern the performance of their officers, employees or agents engaged in the award and administration of contracts supported by Agency funds. No employee, officer or agent of the owner shall participate in the selection, award, or administration of a contract supported by Agency funds if a conflict of interest, real or apparent, would be involved. Examples of such conflicts would arise when: the employee, officer or agent; any member of their immediate family; their partner; or an organization which employs, or is about to employ, any of the above; has a financial or other interest in the firm selected for the award.
- (1) The owner's officers, employees or agents shall neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements.

- (2) To the extent permitted by State or local law or regulations, the owner's standards of conduct shall provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the owner's officers, employees, agents, or by contractors or their agents.
- (b) Maximum open and free competition. All procurement transactions, regardless of whether by sealed bids or by negotiation and without regard to dollar value, shall be conducted in a manner that provides maximum open and free competition. Procurement procedures shall not restrict or eliminate competition. Examples of what are considered to be restrictive of competition include, but are not limited to: placing unreasonable requirements on firms in order for them to qualify to do business; noncompetitive practices between firms; organizational conflicts of interest; and unnecessary experience and bonding requirements. In specifying materials, the owner and its consultant will consider all materials normally suitable for the project commensurate with sound engineering practices and project requirements. The Agency shall consider fully any recommendation made by the owner concerning the technical design and choice of materials to be used for a facility. If the Agency determines that a design or material, other than those that were recommended should be considered by including them in the procurement process as an acceptable design or material in the water or waste disposal facility, the Agency shall provide such owner with a comprehensive justification for such a determination. The justification will be documented in writing.
- (c) Owner's review. Proposed procurement actions shall be reviewed by the owner's officials to avoid the purchase of unnecessary or duplicate items. Consideration should be given to consolidation or separation of procurement items to obtain a more economical purchase. Where appropriate, an analysis shall be made of lease versus purchase alternatives, and any other appropriate analysis to determine which approach would be the most economical. To foster greater economy and efficiency, owners are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.
  - (d) Solicitation of offers, whether by competitive sealed bid or competitive negotiation, shall:
- (1) Incorporate a clear and accurate description of the technical requirements for the material, product or service to be procured. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a "brand name or equal" description may be used to define the performance or other salient requirements of a procurement. The specific feature of the name brands which must be met by the offeror shall be clearly stated; and
- (2) Clearly specify all requirements which offerors must fulfill and all other factors to be used in evaluating bids or proposals.
- (e) Affirmative steps should be taken to assure that small, minority, and women businesses are utilized when possible as sources of supplies, equipment, construction and services.
  - (f) Contract pricing. Cost plus a percentage of cost method of contracting shall not be used.
- (g) *Unacceptable bidders*. The following will not be allowed to bid on, or negotiate for, a contract or subcontract related to the construction of the project:
- (1) An engineer as an individual or firm who has prepared plans and specifications or who will be responsible for monitoring the construction;
- (2) Any firm or corporation in which the owner's engineer is an officer, employee, or holds or controls a substantial interest;
  - (3) The governing body's officers, employees, or agents;
- (4) Any member of the immediate family or partners in the entities referred to in paragraphs (g)(1), (g)(2) or (g)(3) of this section; or
- (5) An organization which employs, or is about to employ, any person in the entities referred to in paragraphs (g)(1), (g)(2), (g)(3) or (g)(4) of this section.

(h) Contract award. Contracts shall be made only with responsible parties possessing the potential ability to perform successfully under the terms and conditions of a proposed procurement. Consideration shall include but not be limited to matters such as integrity, record of past performance, financial and technical resources, and accessibility to other necessary resources. Contracts shall not be made with parties who are suspended or debarred by any Agency of the United States Government.

**≜** Back to Top

§1780.71 [Reserved]

**♣** Back to Top

### §1780.72 Procurement methods.

Procurement shall be made by one of the following methods: Small purchase procedures; competitive sealed bids (formal advertising); competitive negotiation; or noncompetitive negotiation. Competitive sealed bids (formal advertising) is the preferred procurement method for construction contracts.

- (a) *Small purchase procedures*. Small purchase procedures are those relatively simple and informal procurement methods that are sound and appropriate for a procurement of services, supplies or other property, costing in the aggregate not more than \$100,000. If small purchase procedures are used for a procurement, written price or rate quotations shall be requested from at least three qualified sources.
- (b) Competitive sealed bids. In competitive sealed bids (formal advertising), an invitation for sealed bids is publicly advertised and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is lowest, price and other factors considered. When using this method the following shall apply:
- (1) The invitation for bids shall be publicly advertised at a sufficient time prior to the date set for opening of bids. The invitation shall comply with the requirements in §1780.70(d). Bids shall be solicited from an adequate number of qualified sources;
  - (2) All bids shall be opened publicly at the time and place stated in the invitation for bids;
- (3) A firm-fixed-price contract award shall be made by written notice to that responsible bidder whose bid, conforming to the invitation for bids, is lowest. When specified in the bidding documents, factors such as discounts and transportation costs shall be considered in determining which bid is lowest; and
  - (4) Any or all bids may be rejected by the owner when it is in its best interest.
- (c) Competitive negotiation. In competitive negotiations, proposals are requested from a number of sources and the Request for Proposal is publicized. Negotiations are normally conducted with more than one of the sources submitting offers. Competitive negotiation may be used if conditions are not appropriate for the use of formal advertising and where discussions and bargaining with a view to reaching agreement on the technical quality, price, other terms of the proposed contract and specifications may be necessary. If competitive negotiation is used for a procurement, the following requirements shall apply:
- (1) Proposals shall be solicited from an adequate number of qualified sources to permit reasonable competition consistent with the nature and requirements of the Procurement. The Request for Proposal shall be publicized and reasonable requests by other sources to compete shall be honored to the maximum extent practicable;
  - (2) The Request for Proposal shall identify all significant evaluation factors and their relative importance;
- (3) The owner shall provide mechanisms for technical evaluation of the proposals received, determination of responsible offerors for the purpose of written or oral discussions, and selection for contract award; and

- (4) Award may be made to the responsible offeror whose proposal will be most advantageous to the owner. Unsuccessful offerors should be promptly notified.
- (d) *Noncompetitive negotiation*. Noncompetitive negotiation is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate. Noncompetitive negotiation may be used when the award of a contract is not feasible under small purchase or competitive sealed bids. Circumstances under which a contract may be awarded by noncompetitive negotiations are limited to the following:
  - (1) The item is available only from a single source; or
- (2) There exists a public exigency or emergency and the urgency for the requirement will not permit a delay incident to competitive solicitation; or
  - (3) After solicitation of a number of sources, competition is determined inadequate; or
  - (4) No acceptable bids have been received after formal advertising; or
  - (5) The procurement is for professional services; or
- (6) The aggregate amount does not exceed \$100,000.

**RE:** Resolution 1112 - AUTHORIZING A (15) FIFTEEN DAY EXTENSION FOR RESOLUTION 1063, FOR THE DEMOLITION OF 1103 CHESTNUT AVENUE.

**RECOMMENDATION:** Staff recommends that City Council approve Resolution 1112, providing an additional 15 days to the owner to complete the remodel.

**DETAILS:** The City of Osawatomie identified 1103 Chestnut Avenue as a candidate for condemnation and demolition in October of 2022. A hearing date for the property was set for October 13<sup>th</sup>, 2022. At that hearing, the owner on record, Michael Olsen, presented his plan for the complete remodel of the structure and asked for the Council to consider granting a delay in condemnation. Council approved this request with stipulations, as stated in Resolution 1063.

Mr. Olsen has made significant progress on this property including appropriate permitting and inspections through City officials. He is requesting an additional 15 days to complete the remodel due to unforeseen delays in supplies and utility connections (see attached letter). City staff estimates that the remodel is approximately 85-90% completed as of February 23, 2023. Mr. Olsen reaffirmed to City staff that he would have the entire project completed within the 15-day extension, if granted.

### **RESOLUTION NO. 1112**

A RESOLUTION OF THE CITY OF OSAWATOMIE, KANSAS AUTHORIZING A (15) FIFTEEN DAY EXTENSION FOR RESOLUTION 1063, FOR THE DEMOLITION OF 1103 CHESTNUT AVENUE.

**WHEREAS**, the Governing Body passed Resolution 1042 setting a condemnation hearing which was held on the 13th day of October, 2022; and

**WHEREAS**, Mike Olsen, the owner of 1103 Chestnut Avenue, appeared and asked for an extension so that he might remodel the house to live in; and

**WHEREAS**, City Council voted and approved a suspension of condemnation (Resolution 1063) for 1103 Chestnut Avenue until March 1, 2023, with certain stipulations;

- 1. An Irrevocable Letter of Credit to be given to the City by November 10, 2022, in the amount of \$10,000.
- **2**. All Real Property taxes must be current by December 31, 2022, on the property located at 1103 Chestnut Avenue.
- 3. An Occupancy Permit to be issued no later than March 1, 2023.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF OSAWATOMIE, KANSAS:

**SECTION ONE**: The Governing Body authorizes the fifteen (15) day extension, with stipulations:

- 1. On or before March 16, 2023 an Occupancy Permit must be issued.
- 2. If no Occupancy Permit is issued by March 17, 2023, City Staff will block off the site.
- **3.** The site will be posted with a stop work order, a condemned property placard, and a no trespassing placard.
- **4.** Legal action will be taken on all trespassers.

**SECTION TWO**: This Resolution shall be in full force and effect from and after its adoption.

**PASSED AND APPROVED** by the Governing Body of the City of Osawatomie, Kansas this 23rd day of February, 2023, a majority being in favor thereof.

**APPROVED AND SIGNED** by the Mayor.

February 23, 2023

Michael Olsen 1103 Chestnut Ave Osawatomie, KS 66064

Dear Mayor, City Council members and City Manager,

This is Michael Olsen, Owner of 1103 Chestnut Ave. I am requesting a 15 day extension in regards to Resolution 1063 and the March 1st deadline set in that Resolution to have a permanent Occupancy Permit. I have made great progress and the house is still on my timeline to be completed by March 1st. However, a 15 day extension would provide a little breathing room as we have encountered some difficulties with materials due to supply chain issues, as well as a few setbacks while hooking up utilities. Any consideration from Council Members, the Mayor and the City Manager would be greatly appreciated.

Sincerely yours,

Michael Olsen

cc: Mayor, City Council Members, City Inspector, City of Osawatomie.

### **RESOLUTION NO. 1099**

A RESOLUTION AUTHORIZING STAFF TO FINALIZE A MEMORANDUM OF UNDERSTANDING WITH THE KANSAS DEPARTMENT OF WILDLIFE AND PARKS (KDWP) FOR THE FUNDING OF A PLANNING SUSTAINABLE PLACES GRANT WITH THE MID-AMERICA REGIONAL COUNCIL(MARC).

**WHEREAS**, the City desires to increase the economic vitality of the community through strategic investments in the Flint Hills trail; and

**WHEREAS,** MARC has made available \$159,000 in supplemental funds for the Kansas Planning Sustainable Places program; and

WHEREAS, the City of Osawatomie through various Resolutions has both applied for and received Planning Sustainable Places grant funding; and

WHEREAS, city staff working with the KDWP has submitted a project for consideration to MARC; and

WHEREAS, KDWP has agreed to help fund and support the application under consideration titled "Corridor Planning for a Flint Hills to Katy Trail Connection; and

**WHEREAS**, KDWP has asked the City to finalize a Memorandum of Understanding (MOU) should the city receive the grant.

**NOW, THEREFORE, BE IT RESOLVED** by the Governing Body of the City of Osawatomie, Kansas:

**Section 1.** The Governing Body hereby directs staff to put together the appropriate MOU for City Council consideration pending receipt of the PSP grant

**PASSED AND ADOPTED** by the Governing Body of the City of Osawatomie, Kansas this 23rd day of February, 2023, a majority being in favor thereof.

**RE:** Authorizing application for the Kansas Moderate Income Housing (MIH) Grant program – 10 Acres.

**RECOMMENDATION:** That the Osawatomie City Council approve Resolution 1106 Authorizing application for the Kansas MIH Grant program – 10 Acres.

**DETAILS:** This Resolution continues our search for MIH grant dollars to help fund the overall development of the 10-Acre housing projecct. The current grant request we are asking the Kansas Housing Resource Center to consider is for \$1.3 million and would allow for upt o 26 homes to be built with the funds. The project being proposed also includes a down payment assistance program that would help those in our community that might not have the resources available to make a down payment.

### CITY OF OSAWATOMIE, KANSAS

#### RESOLUTION No. 1106

# A RESOLUTION RATIFYING THE CITY OF OSAWATOMIE'S APPLICATION TO THE KANSAS MODERATE INCOME HOUSING GRANT FOR THE PROPOSED DEVELOPMENT OF THE 10-ACRES SITE

WHEREAS, the City of Osawatomie is responding to the Request for Proposal for Kansas Moderate Income Housing (MIH) – American Rescue Plan (ARPA) funds to be submitted to the Kansas Housing Resources Corporation through the State Housing Trust Fund (SHTF) and the proposed housing development's scope of work will be initiated at the "10 Acres" site within the city limits of Osawatomie; and

WHEREAS, the governing body of the City of Osawatomie, Kansas, previously approved by Resolution No. 929 the purchase of a tract of land commonly known as "10 Acres" in Osawatomie, Kansas and, in Resolution 1003, the governing body approved a predevelopment agreement for the 10 Acres property with local developer Wright Way Homes (SSGK); and

WHEREAS, August 25, 2022, the governing body of Osawatomie, Kansas adopted Charter Ordinance No. 21, setting out rules for Osawatomie's Rural Housing Incentive District Policy; and

WHEREAS, at the September 22, 2022 regular city council meeting, the City Manager presented to the governing body staff's intention to make application to the Moderate-Income Housing Grant program and, as part of the City Manager's presentation, it was explained that part of that application would include an in-kind, city utility contribution that would not exceed \$225,000 to help offset a portion of the infrastructure costs associated with the 10 Acres development; and

WHEREAS, the units will be targeted to households between 60 and 150 percent of HUD's state non-metro area median income, and the development will be infill development as the City of Osawatomie recognizes the need for housing in our community and by creating a landbank we are looking to provide housing opportunities for vacant lots to be recycled and replenish the housing stock; and

WHEREAS, the City of Osawatomie understands that the land bank program is intended to cover other properties in the City of Osawatomie over time and beyond the initial project for the MIH grant application; and

**WHEREAS**, the administration of the project will be carried out by the City of Osawatomie.

**NOW, THEREFORE**, be it resolved by the Governing Body of the City of Osawatomie:

**Section 1.** the Governing Body hereby concurs, supports and approves of staff's application on behalf of the City of Osawatomie, Kansas to the MIH Grant fund administered by the Kansas Housing Resources Corporation through the State Housing Trust Fund (SHTF)

**Section 2.** The proposed housing development's scope of work will be initiated at 439 Main Street; Osawatomie, KS 66064 and the development known as "10 acres" is forecasted to have between 22 and 24 single family residential properties built upon it and will target between 60 and 150 percent of the area's median household income level.

**PASSED AND APPROVED** by the Governing Body of the City of Osawatomie, Kansas, this 23rd day of February, 2023, a majority voting in favor of.

**APPROVED** and signed by the Mayor.

**RE:** Authorizing application for a State Park Revitalization and Investment in Notable Tourism (SPRINT) Grant from Kansas Department of Commerce.

**RECOMMENDATION:** That the Osawatomie City Council approve Resolution 1107 authorizing pplication for a State Park Revitalization and Investment in Notable Tourism (SPRINT) Grant from Kansas Department of Commerce.

**DETAILS:** The City desires to increase the economic vitality of the community through strategic investments in the Flint Hills trail. In 2022 working with the City's Architect for the Flint Hills Trail station the City designed a set of cabins that could be considered for a campsite at Mile Zero. Last year the City Council through Resolution 983 supported a similar grant application in 2022 for the Tourism Attraction Sub-grants for Kansas (TASK) for camp MOPAC. We have expanded on the idea and are submitting it for SPRINT grant consideration. Additionally, city staff has been contacted by an interested developer who is willing to consider an investment in building out camp MOPAC. This resolution also authorizes city staff to work with the current developer on a Predevelopment Agreement.

RE: Authorizing application for an Attraction Development Grant

**RECOMMENDATION:** That the Osawatomie City Council approve Resolution 1108 authorizing application for an Attraction Development Grant from Kansas Tourism.

**DETAILS:** In 2021 the City began working with OSH on a possible mountain bike course on their campus. It's taken 2 years and moving the course once but we have a final location and late in 2022 we submitted the project for grant consideration through the Recreation Trails Program (RTP) at KDWP. City staff believes this project qualifies under both programs (Attraction Development and Recreation Trails Program) and is deserving of consideration when viewed in a larger trail context. We believe this Mountain Bike course will create an amenity that supports the Flint Hills trail and increase our chances of getting the Asylum Bridge replaced as part of a larger regional trail and connectivity plan.

	Date:	February 21, 2023	
Deputy City Manager	From:	Bret Glendening	

RE: Authorizing Resolution to Issue \$2.5M in Temporary Notes for Water Project

**RECOMMENDATION:** Adopt Resolution 1111

**DETAILS:** In January of 2022, the council accepted the recommendation of the Water Study Committee. In March/April of 2022, the council entered into an agreement with BG Consultants to design a new water treatment plant and make certain improvements to the distribution system.

Over the course of the summer, application was made to the State of Kansas Revolving Loan Fund for interim financing of the costs associated with the design and construction of the project. We have also applied to USDA for a partial loan and grant for permanent financing.

The need for the temporary notes is twofold. First, we need to pay ourselves back for the \$1.2M in design costs that we have incurred since March of last year. These costs will be reimbursed by the SRF ONCE that loan application is completed and approved. The second reason for the temporary notes is to finance the construction of the new water mains on 6<sup>th</sup> Street and Brown Avenue from 7<sup>th</sup> to 12<sup>th</sup>. These lines need to be replaced prior to construction beginning on the streets themselves. These costs can also be rolled into the SRF loan once that loan agreement is in place.

The SRF loan is still a couple of months out from getting approved. USDA is in the process of underwriting the permanent financing and the SRF loan cannot be approved until the USDA has completed their letter of conditions which is also a couple of months out.

# EXCERPT OF MINUTES OF A MEETING OF THE GOVERNING BODY OF THE CITY OF OSAWATOMIE, KANSAS HELD ON FEBRUARY 23, 2023

The governing body met in regular session at the usual meeting place in the City, at 6:30 P.M., the following members being present and participating, to-wit:

Absent:
The Mayor declared that a quorum was present and called the meeting to order.
* * * * * * * * * * *
(Other Proceedings)
Thereupon, there was presented a Resolution entitled:
A RESOLUTION OF THE CITY OF OSAWATOMIE, KANSAS, AUTHORIZING IMPROVEMENTS TO THE CITY PUBLIC WATER SUPPLY SYSTEM AND PROVIDING FOR THE PAYMENT OF THE COSTS THEREOF.
Thereupon, Councilmember moved that said Resolution be adopted. The motion we seconded by Councilmember Said Resolution was duly read and considered, and upon being put, the motion for the adoption of said Resolution was carried by the vote of the governing body, the vote being as follows:
Yea:
Nay:
Thereupon, the Mayor declared said Resolution duly adopted and the Resolution was then du numbered Resolution No and was signed by the Mayor and attested by the Clerk.

# A RESOLUTION OF THE CITY OF OSAWATOMIE, KANSAS, AUTHORIZING IMPROVEMENTS TO THE CITY PUBLIC WATER SUPPLY SYSTEM AND PROVIDING FOR THE PAYMENT OF THE COSTS THEREOF.

WHEREAS, K.S.A. 65-163d through 65-163u, as amended (the "Act"), authorizes any municipality to acquire, construct, reconstruct, improve, equip, rehabilitate or extend all or any part of a public water supply system and to issue general obligation bonds to pay all or part of any costs thereof; and

WHEREAS, the City of Osawatomie, Kansas (the "City") is a municipality within the terms of the Act and operates a public water supply system, as said term is defined in the Act (the "System"); and

WHEREAS, the governing body of the City hereby finds and determines that it is necessary and advisable to improve the System and to provide for the payment of the costs thereof by the issuance of general obligation bonds.

# NOW THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF OSAWATOMIE, KANSAS:

- **Section 1. Project Authorization.** It is hereby authorized, ordered and directed that the System be improved by the design and construction of certain water treatment and distribution facilities, installation of water mains, and all improvements related thereto (collectively the "Project").
- **Section 2. Project Financing.** The estimated costs of the Project, including construction, engineering fees, acquisition of right-of-way and easements, contingencies and administrative expenses is \$2,500,000. All or a portion of the costs of the Project, interest on interim financing and associated financing costs, shall be payable from the proceeds of general obligation bonds of the City issued under authority of the Act (the "Bonds"). The City may also issue temporary notes to provide interim construction financing for the Project, which temporary notes may be retired by the Bonds or financing agreements with the United States Department of Agriculture Rural Development or the Kansas Department of Health and Environment.
- **Section 3. Reimbursement.** The Bonds may be issued to reimburse expenditures made on or after the date which is 60 days before the date of this Resolution, pursuant to Treasury Regulation § 1.150-2.
- **Section 4**. **Effective Date.** This Resolution shall take effect and be in full force from and after its adoption by the governing body of the City.

### **CITY OF OSAWATOMIE**

#### DEPUTY CITY MANAGER'S REPORT ON OPERATIONS

February 23, 2022

### **Water Treatment Plant Status:**

The latest update (as of January 17, 2023) is that KDHE has completed their review of the loan application. They requested no additional information and confirmed that the final step is now under way which is the financial review which is being conducted by a contracted third party (which is their normal procedure). They also confirmed that upon completion of the project, the City of Osawatomie will receive \$1,000,000 in loan forgiveness prior to the temporary state revolving loan fund rolls over into permanent financing through USDA Rural Development. USDA is still in the underwriting process and we are awaiting loan documents from KDHE SRF.

#### **Wastewater Treatment Plant Status:**

We have received our fifth invoice from Crossland Construction. The State of Kansas (KDHE), Terry, myself and our engineers have reviewed the invoice and are in acceptance of their charges. Lastly, we will need to request from KDHE, an extension of the compliance deadline in the consent decree for the treatment plant. Material supply issues continue to be a struggle and deliveries of critical components are not going to occur until after the expiration of the existing compliance date of February 28, 2023. We have been in contact with KDHE and they are aware of the issues surrounding the supply chain and the impact it is having on our completion of this project. Additionally, we have submitted the extension request to CDBG as it was approved at the February 9 city council meeting.

Our ongoing battle with inflow and infiltration (I&I) continues to be an issue. BG Consultants issued an RFP for CCVT companies to bid to in order to identify sewer lines in the city that have not been part of the previous sewer main rehabilitation phases 1, 2 or 3. Unfortunately, we only received one bid, but they are the most reputable firm that provides this kind of service. Their price was \$110,250. This covers approximately 60,000 LF (<11 miles) of sewer mains. Once the Sewer Rate study is complete, we will be in a better position to make a recommendation as to what the best path forward is to address the balance of the collections system.

# **Evergy Solar Array Development:**

At this point, the only remaining item to address is the land lease with Evergy. Additionally, the solar panels have been ordered and Evergy has scheduled a meeting with their project management team for March 16th. Due to the Inflation Reduction Act, additional monies have been made accessible so Evergy is ordering the most technologically advanced panels available on the market and the footprint of the array on the selected site can be reduced. It's rated output however will still be 5MW.

### **Levee Certification / Flood Insurance Rate Map Revisions – Status Update:**

The Consultation Coordination Officer (CCO) Meeting was held at Memorial Hall on January 24 at 1:00 PM. It was well attended by city officials as well as Miami County and the regulatory agencies, FEMA and the Kansas Department of Agriculture. If anyone would like a copy of the PowerPoint presentation from the CCO meeting, please let me know and I will get it sent to you. Finalizing the new maps will take about 18 months in order to get through the regulatory requirements and I'll continue to keep the council updated on where we are at.

Anyone who would like to view the PDFs of the preliminary digital flood rate maps and the FIS report can do so by coming to city hall to view a paper copy OR you may download them from this link:

February 2023	End CCO Meetings
Spring 2023	Appeals Period
Winter 2023	Letter of Final Determination
Summer 2024	Final FIRMs established and effective

## **2022 and 2023 Street Improvements:**

Preconstruction on the carried over streets from the 2022 street improvement project is currently scheduled for February 21 at 11 a.m. As a reminder, these streets are: 18<sup>th</sup> Street, Main Street Terrace, and Walnut from 4<sup>th</sup> to 6<sup>th</sup>. These streets will get underway as soon as the weather breaks this coming spring.

In the meantime, design on 6<sup>th</sup> Street from Kelly Ave. to Lincoln Ave. as well as Brown Ave. from 7<sup>th</sup> to 12<sup>th</sup> will continue. Brown Ave. is ready to go to bid. Stormwater design on 6<sup>th</sup> Street is underway. As soon as the stormwater system is designed, it will be reviewed for any conflicts with other utilities as well as any changes that may be necessary. The water lines for Brown Ave. and 6<sup>th</sup> Street will need to be permitted through the State of Kansas prior to being installed, and they need to be installed at the same time as the existing streets are getting removed.

In reviewing the cost share agreement with KDOT, we must have the 6th street project under contract within 6 months of March 2023 (Section V. para.1) and then complete it within 2 years from the NTP date from KDOT which was issued on 1/27/2023. If need be, we can continue (and complete) design on 6th street, bid it this summer and then award the contract with an early start/late start NTP date.

With regard to Brown Avenue, we will likely end up bidding Brown this spring in the hopes that we can move to the construction phase either during, or right after construction is complete on 18th Street, Main St. Terrace and Walnut. Keep in mind that with the Brown and 6<sup>th</sup> street projects, we need to time the water line replacement to happen before actual construction on the streets begins and the time it takes to get the permits issued for the water lines from KDHE is likely going to push 6<sup>th</sup> Street into 2023. That would hopefully give us adequate time to get the water lines permitted through KDHE and the line built on Brown and still have a productive year of street replacement this summer. I would much rather prefer to take our time on the preconstruction activities for 6<sup>th</sup> Street and get it right as opposed to rushing through design and risk having issues during the construction phase and it is less than ideal to start a street project of this magnitude and not get it finished in one construction season. We do not want to have the project paused while we wait for the spring of 2024 to resume construction.

## **Extension of Electric Service to the Osawatomie State Hospital:**

Resolution 1021 was adopted on July 14<sup>th</sup>, 2022. The resolution directed staff to complete the transfer of the Osawatomie State Hospital from Evergy to the City no later than November 1, 2022 and authorized up to \$200,000 to cover costs associated with the transfer. Due to lead times on equipment and material, the date of transfer is now planned for April 1, 2023. The transformer is scheduled for delivery in March. All other materials have been received and construction of the new line is underway. The only outstanding issue is to obtain a permit from the railroad for a new crossing which will take 30-60 days. Expenditures associated with transferring the state hospital are as follows:

Transformer:	\$ 27,536.00
Poles, Insulators, Wire:	\$ 78,481.13
UPRR Permit:	\$ 775.00
Midstates Subcontract:	\$ 41,000.00
TOTAL:	\$147,792.13

The Midstates subcontract will cover Midstates Energy Works (a division of KMEA) to string the new static wire and three phase power lines. The reason staff wishes to contract this work is to allow our crews to get caught up on the distribution system upgrade.
