COMMENTS FROM THE PUBLIC.

Pastor Bo Gerken – It has been going very well busing youth students on Wednesdays to youth group. We send a 55-passenger bus over to the middle school to pick up the kids and it is usually full. We take them over to youth group, feed them, have a service and then take them back. We are getting ready to break ground on a gymnasium for youth programs. We are hoping to offer this to the communities to use at no cost if they are short a gym to use for their youth programs. We have had a lot of luck reaching kids in the Osawatomie community.

PUBLIC HEARINGS. – None.

PRESENTATIONS, PROCLAMATIONS AND APPOINTMENTS. – None.

UNFINISHED BUSINESS. – None.

NEW BUSINESS.

ORDINANCE 3831 – FRANCHISE FEE FOR COMMERCIAL REFUSE CUSTOMERS – In August of 2020, the council adopted Ordinance 3784 establishing a solid waste utility. Shortly thereafter, the city entered into a contract with Waste Management to provide solid waste collection services throughout the city. Residential properties are assessed on the property taxes and waste management bills commercial customers.

Contractually, the intent was for WM to collect a franchise fee on the commercial customers they bill, but that language was inadvertently left out of the contract and they have not been collecting it. This ordinance incorporates authorizing language to incorporate the franchise fees on both residential and non-residential properties alike, and allows WM to collect the fee on behalf of the city and remit that fee. It also subjects the solid waste service provider to audits. **Motion** made

by Dickinson, seconded by LaDuex to approve Ordinance 3831 – Amending Chapter XV. Article 5. Solid Waste Utility of the Code of the City of Osawatomie as presented. Yeas: All.

ORDINANCE 3833 –EXTEDNING NRP FOR 10 YEARS – The Osawatomie Neighborhood Revitalization Plan was approved in December 2008 with a 10-year sunset clause. It would have expired at the end of 2019. The plan offers an incremental tax rebate for new construction with a minimum increase of \$15,000 in appraised value.

All property within city limits is eligible for the program except the property in Parkview East, Parkview West, Hickory Valley, Slayman Heights, Northland and South of the Pottawatomie Creek Levee System. In the event of a transfer of ownership of a parcel during the eligible rebate period, such parcel and the new owner thereof shall remain eligible to apply for the rebate. Rebates shall be made payable only after the application is made and approved. Rebates approved for payment shall be made within 30 days of the June 5th distribution.

According to Kansas Statutes, the plan may be extended by the Council, as is, at a regular council meeting. If the Council desires to make any amendments to the plan, the Council must conduct a public hearing and publish notice of public hearing at least once for two consecutive weeks prior to. Any extension or amendments made to the Neighborhood Revitalization Program must be made by the passage of a new ordinance.

For the last 4 years, the council has authorized 1-year extensions of the program. Extending the program for 10 years does not preclude us from revisiting that plan and making amendments to it at any time during that 10-year period. **Motion** made by Schasteen, seconded by LaDuex to approve Ordinance 3833 – Extending the current neighborhood revitalization plan for a period of ten years from and after January 1, 2024 as presented. Yeas: All.

RESOLUTION 1155 – ACCEPTING THE ANNUAL ELECTRIC REPORT FOR THE US DEPT. OF ENERGY – Terry Upshaw discussed the report and answered questions regarding the report. **Motion** made by LaDuex, seconded by Dickinson to approve Resolution 1155 – accepting the 2022 Annual Electric Report to the U.S. Department of Energy as submitted by staff as presented. Yeas: All.

ORDINANCE 3834 – ADOPTING BY INCORPORATION THE 2023 STANDARD TRAFFIC ORDINANCE - The Standard Traffic Ordinance (STO) for Kansas Cities have been published by the League of Kansas Municipalities. They are designed to provide a comprehensive traffic code for Kansas Cities. Motion made by LaDuex, seconded by Schasteen to approve Ordinance 3834 – Regulating traffic within the corporate limits of the City of Osawatomie, Kansas; incorporating by reference the "Standard Traffic Ordinance for Kansas Cities" edition of 2023, with certain omissions, changes, and additions; prescribing additional regulations; amending Chapter 14, Article 1, of the City of Osawatomie Municipal Code; and repealing existing provisions as presented. Yeas: All.

ORDINANCE 3835 - ADOPTING BY INCORPORATION THE 2023 UNIFORM PUBLIC OFFENSE CODE - The Uniform Public Offense Code (UPOC) for Kansas Cities have

been published by the League of Kansas Municipalities. They are designed to provide a comprehensive criminal code for Kansas Cities. **Motion** made by Bratton, seconded by Schasteen to approve Ordinance 3835 –Regulating public offenses within the corporate limits of the City of Osawatomie, Kansas; incorporating by reference the "Uniform Public Offense Code for Kansas Cities" Edition of 2023; amending and repealing Chapter 11, Article 2, Section 201 of the City of Osawatomie Municipal Code; and repealing existing provisions as presented. Yeas: All.

RESOLUTION 1156 - REQUESTING EXTENSION FOR CDBG GRANT AT WWTP - All projects that are funded with CDBG monies must be completed within the initial time frame as described in the application for the grant as well as that grant's agreement. Due to the ongoing and previously discussed delays to equipment deliveries (see Change Order #1 to this project) our project which is currently scheduled for completion on 2/28, will not be completed by this date.

Please note that this is NOT a change order. It is only a request to one of the funding agencies to extend the window of time we have in order to request reimbursement from the CDBG program that is administered by the Kansas Department of Commerce. **Motion** made by Bratton, seconded by LaDuex to approve Resolution 1156 – Authorizing a request to the Community Development Block Grant Program requesting an extension of time to complete the wastewater treatment plant project for the City of Osawatomie as presented. Yeas: All.

COMMON CONSUMPTION AREAS – 500 BLOCK OF MAIN AND TRAIL HEAD – INTEREST? – Michele Silsbee discussed the difference between creating a common consumption area(s) verses passing a resolution and obtaining a permit from the state for each special event that wants allow alcohol in those areas.

No action was taken on this item.

OFFER TO PURCHASE TWO LOTS IN HICKORY VALLEY – There has been an offer by an individual to purchase two lots in Hickory Valley. These two lots do not have full street access and do not have utilities extended to them as of yet. Given the number of projects we have currently and the importance of developing Hickory Valley out in a planned manner and not randomly, it is staff's recommendation that we pause any sale of platted lots in the Hickory Valley subdivision until such time as the infrastructure can be designed and permitted and a financing plan put into place.

No action was taken no this item.

EXECUTIVE SESSION – Motion made by Dickinson, seconded by LaDuex that the City Council recess into closed, executive session for the purpose of discussing personnel matters of nonelected personnel pursuant to the exception K.S.A. 75-4319 (b)(1). The closed meeting will last 10 minutes and will resume here in Memorial Hall at 7:45 p.m. Also attending will be City Manager Bret Glendening, City Clerk Tammy Seamands and City Attorney Jeff Deane. Yeas: All.

The council meeting resumed to open session at 7:45 p.m. with no action taken

COUNCIL REPORTS

Kevin Schasteen ~ Thanks to the public works department glad to see that there is progress going down Brown St now.

Lawrence Dickinson \sim Thank you to public works for fixing the sidewalk that had buckled in front of my house.

Dale Bratton ~ We cleaned up limbs after the storm. How many complaints did we have about torn up yards? I'm glad to see that we did this.

MAYOR'S REPORT

Congratulations to Teri Auten on her receiving a \$250,000 CDBG Grant for commercial rehabilitation at 525 Main. It will aid her in the rehabilitation of this building and is the second CDBG grant we've received for our downtown.

Kirk and Sheila Wright continue to move forward on the work at their buildings at 538 – 544 Main. They have been awarded two grants. Once CDBG grant and one HEAL Grant.

Thank you to the public works and electric crews for working to restore electricity to the community as well as assist citizens with debris cleanup. These are the things that help a community come together.

Also, I've noticed that the charging stations have started going up around town. Thank you to the electric crew for that as well.

CITY MANAGER & STAFF REPORTS.

Bret Glendening - Mike Scanlon and I met with the planning commission and had the public hearing for 10 acres. There were 5-6 people show up to ask questions. We have put those questions together with answers and put those into a document that we will distribute. The end result of the planning commission was 2-for and 2-against. The two that voted against it wanted answers to the questions.

We will have the RNR hearing at the next council meeting followed by the budget hearing.

Michele Silsbee – Terry and I put together a report showing the cost of the storm response.

We will be burning the brush at the forestry site tomorrow

Main Street Terrace and 18th Street will get its last lift of asphalt tomorrow. Walnut is getting its last set of concrete tomorrow. Brown Street was milled yesterday and today.

We opened up Main Street at 10th and removed the pipe that was there and then found that a 30" pipe will not fit. It is too big for the box on the north side of the street. We called BG about this and they also found a similar situation at 8th street. BG has provided us with a redesign of 10th

Street and we have installed two 18" parallel pipes that will carry the same amount of flow. The mistake was on BG's side so they will help pay for some of this.

Mike Scanlon – Senator Marshall wanted to come to Osawatomie this Saturday but we delayed the visit until August 25th.

We were able to get bullets from the original Battle of Osawatomie donated to the city to use. We are going to do shadowboxes. The Battle of Osawatomie was August 30, 1856. There were three houses still standing and one of those houses are still standing today we believe. It is located at 324 Main Street. It was built in 1850. The idea is to pull this house into the history of Osawatomie. We will be applying for a Patterson grant for upgrades and maintenance of this structure.

OTHER DISCUSSION/MOTIONS.

Motion made by Bratton, seconded by LaDuex to adjourn. Yeas: All. The mayor declared the meeting adjourned at 08:24 p.m.

RE: Directing Staff on the Sale of Vacant Lots in Hickory Valley

RECOMMENDATION: That the City Council pass Resolution 1159

DETAILS: As was discussed at the council meeting on August 9th, we've had a request to purchase two lots (pictured below) in Hickory Valley. As was also discussed, these lots do not have full street access and do not have utilities extended to them as of yet.

Given the number of projects we have going currently and the importance of developing Hickory Valley out in a planned manner and not randomly, it is staff's recommendation that we pause any sale of platted lots in the Hickory Valley subdivision until such time as the infrastructure can be designed and permitted and a financing plan put into place.

RE: Request to waive the generally accepted account principles (GAAP).

RECOMMENDATION: That the City Council pass the Resolution as presented to allow all financial statements and financial reports of the municipality to be prepared on the basis of cash receipts and disbursements, as adjusted to show compliance with the cash-basis and budget laws of Kansas.

DETAILS: K.S.A. 75-1120 requires the governing body of each municipality in Kansas to utilize generally accepted accounting principles (GAAP) as established by the Governmental Accounting Standards Board (GASB) and the American Institute of Certified Public Accountants. However, the statute allows the Director of Accounts and Reports to waive the requirements upon the request of the governing body of any city.

Prior to requesting the waiver, the governing body must annually pass a resolution, finding that financial statements and financial reports prepared in conformity with GAAP are not relevant to the requirements of the cash-basis and budget laws of Kansas and are of no significant value to the governing body or members of the general public of the municipality.

The law does state that the waiver cannot be requested if the provisions of revenue bond ordinances or resolutions, or other ordinances or resolutions of the municipality, require financial statements and financial reports to be prepared in conformance with GAAP.

If the waiver is granted, all financial statements and financial reports of the municipality are required to be prepared on the basis of cash receipts and disbursements, as adjusted to show compliance with the cash-basis and budget laws of Kansas.

WHEREAS, K.S.A. 75-1120a(c) allows municipalities to waive Generally Accepted Accounting Principles (GAAP), but they must do so on an annual basis; and

WHEREAS, The City of Osawatomie, Kansas has historically waived the GAAP requirements in lieu of preparing our financial statements in accordance with Generally Accepted Auditing Standards and the Kansas Municipal Audit and Accounting Guide.

RE: Purchase of new Pro Core 648 Aerator for the Osawatomie Golf Course

RECOMMENDATION: Approve resolution 1082

DETAILS: Currently we contract out our aeration service once a year, however there is a need for more frequent aeration on the golf greens and tee boxes than what we are currently able to do with a contractor. This need is driven by increased daily golf rounds, junior rounds, and tournament rounds. The purchase of the Pro Core 648 gives us the ability to perform aeration on our own timeline, and provide better and more consistent playing conditions. Professional Turf Products has offered to finance the Pro Core 648 however, First Option Bank was able to provide us with a better interest rate giving us a lower payment.

LEASE WITH OPTION TO PURCHASE AGREEMENT

The Lease with Option to Purchase Agreement, dated as of August 24, 2023, by and between FIRST OPTION BANK, of Osawatomie, Kansas, hereinafter referred to as LESSOR, and City of Osawatomie, KANSAS, a Municipal Corporation, hereinafter referred to as LESSEE. Lessor desires to lease the Equipment described in Exhibit "A" to Lessee, and Lessee desires to lease the Equipment from Lessor subject to the terms and conditions of this Agreement which are set forth below.

I. Lessee Warranties

Section 1.1. Lessee represents, warrants and covenants as follows for the benefit of Lessor or its assignees:

- (a) Lessee is a public body corporate and politic and is duly organized and existing under the Constitution and laws of the State. Lessee will do or cause to be done all things necessary to preserve its existence as a body corporate and politic. Lessee is a political subdivision of the State within the meaning of Section 103(a) of the Internal Revenue Code of 1986, as amended, (the "Code") or a constituted authority authorized to issue obligations on behalf of a state or local government unit within the meaning of Treasury Regulation 1.103-1(b).
- (b) Lessee is authorized under the Constitution and laws of the State to enter into this Agreement. Lessee has duly authorized the execution and delivery of this Agreement by appropriate official action. Lessee has complied with all the proper procedures, regulations, requirements and actions of its governing body. The Officer of Lessee executing this Agreement has the authority to execute and deliver this Agreement. This Agreement constitutes a legal, valid, binding and enforceable obligation of the Lessee in accordance with its terms.
- (c) Lessee has complied with all public bidding laws and requirements and all other similar State or Federal laws which may be applicable to this Agreement.
- (d) Lessee will take no action that would cause the Interest Portion of the Rental Payments it pays to Lessor to become includible as gross income for federal income tax purposes under the Internal Revenue Code of 1986.

- (e) Lessee shall use the Equipment only for traditional government purposes. Lessee shall not make any use the Equipment or any proceeds associated with the Equipment in any manner that would cause the creation of an unqualified "Private Activity Bond" as defined under Section 103(b)(1) of the "Code" or an "Arbitrage Bond" as defined under Section 103(b)(2) of the "Code".
- (f) Should Lessee fail to use the Equipment for traditional government purposes and IRS disallows the tax-exempt status of the Interest Portion of the Rental Payments as a result of such failure, then Lessee shall be required to pay additional sums to the Lessor or its assignees so as to bring the after tax yield on this Agreement to the same level as the Lessor or its assignees would attain if the transaction continued to be tax-exempt.
- (g) Lessee hereby designates the Agreement as a "qualified tax-exempt obligation" as defined in Section 265(b)(3)(B) of the Internal Revenue Code of 1986. The aggregate face amount of all tax-exempt obligations (excluding private activity bonds other than qualified 501 (c)(3) bonds issued or to be issued by the Lessee and all subordinate entities thereof during the Issuance Year is not reasonably expected to exceed ten million (\$10,000,000) dollars.
- (h) Upon request by Lessor, Lessee will annually provide Lessor with current financial statements, budgets, proofs of appropriation for the ensuing budget year and such other financial information relating to the ability of Lessee to continue this Agreement.
- (i) Lessee has never non-appropriated funds under an Agreement similar to this Agreement.
- (j) Lessee warrants that there is no pending litigation in any tribunal which challenges Lessee's authority to enter into this agreement.
- II. Acquisition of Equipment, Rental Payments, and the Purchase Option Price
- Section 2.1. <u>Acquisition</u>. Lessee shall order the Equipment, cause the Equipment to be delivered and installed and pay all costs connected therewith.
- Section 2.2. <u>Rental Payments</u>. Lessee shall pay Rental Payments exclusively to Lessor or its assignees in lawful, legally available money of the United States of America.

The payments shall be sent to the location specified by the Lessor or its assignees. The amount and date of each Rental Payment shall be paid as set forth on Exhibit "B".

Section 2.3. Rental Payments Constitute a Current Expense.

Lessor and Lessee understand and intend that the obligations of the Lessee to pay Rental Payments under this Agreement shall constitute a current expense of Lessee for such budget year and shall not constitute an indebtedness under the statutory laws of the State. Nothing herein shall constitute a pledge by Lessee of any taxes or other moneys other than the moneys lawfully appropriated by Lessee in Lessee's annual budget.

Section 2.4 <u>Purchase Option Price</u>. Upon 30 days written notice and provided there is no Event of Default, Lessee shall have the option to pay the Purchase Option Price which corresponds to the current Payment Date set forth on Exhibit "B". If Lessee chooses this option and pays the Purchase Option Price to Lessor, then Lessor will transfer any and all of its rights, title and interest in the Equipment to Lessee as is, without warranty, express or implied, except that Lessor will warrant to Lessee that the Equipment is free and clear of any liens created by Lessor.

III. Non-Appropriation

Section 3.1. Non-Appropriation. If insufficient funds are available in Lessee's budget for the next budget year to make the Rental Payments for the next Renewal Term and the funds to make such Rental Payments are otherwise unavailable by any means whatsoever, then Lessee shall have the option to non-appropriate the funds to pay the Rental Payments for the next Renewal Term. If Lessee chooses this option, then all obligations of the Lessee under this Agreement regarding Rental Payments for all remaining Renewal Terms shall be

terminated at the end of the then current Original Term or Renewal Term without penalty, liability or expense to the Lessee of any kind. Lessee agrees that its Budget Officer or other person(s) in charge of preparing the annual budget shall include in its tentative budget the appropriation request for the funds to make the Rental Payments for the Equipment for the next Renewal Term.

Section 3.2. <u>Notice</u>. Lessee shall notify Lessor or its assignees ninety (90) days before the end of the then current Original Term or Renewal Term if Lessee has chosen not to appropriate the funds for the Rental Payments for the next Renewal Term. If Lessee chooses to non-appropriate the funds within ninety (90) days of the then current Original Term or Renewal Term, then Lessee shall notify Lessor or its assignees immediately after such decision is made.

Section 3.3. <u>Lessee Intent</u>. Lessee fully intends to budget and appropriate the funds necessary to pay all the Rental Payments for the original Term and each successive Renewal Term until all Rental Payments listed on Exhibit "B" have been paid. Lessee will use all reasonable and lawful means available to secure the appropriation of money for each successive Renewal Term.

IV. Insurance, Damage to Equipment, Insufficiency or Proceeds, Lessee Liability, Indemnification

Section 4.1. <u>Insurance</u>. Lessee shall maintain both casualty insurance and liability insurance at its own expense. Lessee shall be solely responsible for selecting the insurer(s) and for making all premium payments and ensuring that all policies are continuously kept in effect during the period when Lessee is required to make Rental Payments.

- (a) Lessee shall insure the Equipment against any loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State and any other risks reasonable required by Lessor in an amount at least equal to the then applicable Purchase Price of the Equipment. Alternatively, Lessee may insure the Equipment under a blanket insurance policy or policies which cover not only the Equipment but also other properties.
- (b) The liability insurance shall insure Lessor from liability and property damage in any form and amount satisfactory to Lessor.
- (c) With Lessor's prior written consent, Lessee may self-insure against the casualty risks and liability risks described above.
- (d) All insurance policies issued or affected by this Section shall be so written or endorsed such that the Lessor and is assignees are named insureds and loss payees and that all losses are payable to Lessee and lessor or its assignees as their interests may appear. Each policy issued or affected by this Section shall contain a provision that the insurance company shall not cancel or materially modify the policy without first giving thirty (30) days advance notice to Lessor or its assignees. Lessees shall furnish to Lessor certificates evidencing such coverage throughout the Lease Term.

Section 4.2. <u>Damage to or Destruction of Equipment</u>. Lessee assumes the risk of loss or damage to the Equipment. If the Equipment or any portion thereof is lost, stolen, damaged or destroyed by fire or other casualty, Lessee will immediately report all such losses to all possible insurers and take the proper procedures to attain all insurance proceeds. Lessee and Lessor will cause the Net Proceeds of any insurance claim to be applied to the prompt replacement, repair, restoration, modification or improvement of the Equipment. Alternatively, Lessee may apply the Net Proceeds towards the Purchase Option Price. Any balance of the Net Proceeds remaining after such work has been completed or after the Purchase Option Price has been paid shall belong to Lessee. The term "Net Proceeds" shall mean the amount remaining from gross proceeds of any

insurance payment after deducting all expenses, including attorney's fees, incurred in the collection thereof.

Section 4.3. <u>Insufficiency of Net Proceeds</u>. If there are no Net Proceeds for whatever reason or if the Net Proceeds are insufficient to pay in full the cost of any replacement, repair, restoration, modification or improvement of the Equipment, then lessee shall complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds. If Lessee chooses to apply the Net Proceeds to the Purchase Option Price and the Net Proceeds are insufficient to pay the Purchase Option Price, then Lessee shall pay the deficiency.

Section 4.4. <u>Lessee Liability</u>. Lessee assumes all risks and liabilities for injury to or death of any person or damage to any property in any manner arising out of the installation, operation, possession, storage or use of the Equipment whether such injury or death or property damage be with respect to agents or employees of Lessee or with respect to third parties.

Section 4.5. <u>Indemnification</u>. To the extent permitted by law, Lessee shall protect, hold harmless and indemnify Lessor and its assignees from all liability, obligation, losses, claims and damage whatsoever, regardless of the cause thereof arising out or as a result of the entering into this Agreement, the ownership of the Equipment and the ordering, acquisition, installation, operation, possession, storage, or use of any item of the Equipment. This would include all expenses incurred by Lessor in defending any claims or actions filed against them including attorney fees. The indemnification arising under this

paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Agreement or the termination of the Lease Term for any reason.

V. Maintenance, Permits, Licenses, Liens and Personal Property

Section 5.1. <u>Maintenance</u>. Lessee shall keep the Equipment in good repair and working order. Lessor shall have no obligation to inspect, test, service, maintain, repair or make improvements or additions to the Equipment under any circumstances. Upon the request of Lessor, Lessee will enter into a maintenance contract for the Equipment with Vendor. Lessee will be liable for all damage to the Equipment, other than normal wear and tear, caused by Lessee, its employees or its agents.

Section 5.2. <u>Permits, Licenses, Taxes and Utilities</u>. Lessee shall obtain all permits and licenses necessary for the installation, operation, possession, storage or use of the Equipment. Lessee shall pay all taxes and other charges of any kind which are lawfully assessed against or with respect to the Equipment. Lessee shall pay all gas, water, steam, electricity, heat, power and other charges incurred in the installation operation, possession, storage or use of the Equipment. Lessee shall pay all other charges lawfully made by and governmental body that may be secured by a lien or encumbrance of the Equipment.

Section 5.3 <u>Liens or Encumbrances</u>. Lessee shall not during the term of this Agreement create, incur or assume any levies, liens and encumbrances of any kind except those created by this Agreement. Lessee shall take all proper measures to promptly release any levies, liens or encumbrances against the Equipment. Lessee shall be liable to Lessor for any costs incurred by Lessor in discharging such levies, liens or encumbrances.

Section 5.4. <u>Personal Property</u>. The Equipment is and shall at all times be and remain personal property regardless whether Equipment or any part thereof may become in any manner affixed or attached to real property.

Section 5.5 <u>Inspection of Equipment</u>. Lessee shall allow Lessor to examine and inspect the Equipment at all reasonable times.

VI. Title and Security Interest

Section 6.1. <u>Title</u>. Title to the Equipment shall vest in Lessee when Lessee acquires and accepts the Equipment. Title to the Equipment will automatically revert back to the lessor in the event Lessee non-appropriates or in the event Lessee defaults. In either of such events, Lessee shall execute and deliver to lessor such documents as Lessor may request to evidence the passage of legal title to the Equipment to Lessor. Once title reverts back to Lessor, lessee has no further interest in the Equipment.

Section 6.2 Security Interest. To secure the payment of all Lessee's obligations under this Agreement, Lessee hereby grants to Lessor a Security Interest under this Agreement, Lessee hereby grants to Lessor a Security Interest under the Uniform Commercial Code constituting a first lien on the Equipment described more fully on Exhibit "A". The security interest established by this section includes not only all additions, attachments, repairs and replacements to the Equipment, but also all proceeds therefrom. Lessee agrees to execute such additional documents which Lessor deems necessary or appropriate to establish and maintain its security interest and the security interest of any assignee of Lessor in the Equipment.

VII. Warranties.

Section 7.1. <u>Lessee Assumes Responsibility</u>. The Equipment and the Vendor have been selected by Lessee. Lessor shall have no responsibility for the selection of the Equipment, its suitability for the use intended by Lessee, the acceptance by the Vendor or its sales representative of the order submitted, or any delay or failure by the Vendor or its sales representative to manufacture, deliver or install the Equipment for use by Lessee.

Section 7.2. <u>Disclaimer of Warranties</u>. LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE OR FITNESS FOR USE OF THE EQUIPMENT, OR ANY OTHER REPRESENTATION OR WARRANT WITH RESPECT TO THE EQUIPMENT. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGE ARIASING OUT OF THE INSTALLATION, OPERATION, POSSESSION, STORAGE OR USE OF THE EQUIPMENT BY LESSEE. LESSEE'S SOLE REMEDY FOR THE BREACH OF SUCH WARRANTIES SHALL BE AGAINST THE VENDOR OF THE EQUIPMENT AND NOT THE LESSOR.

VII. Default

Section 8.1. Events of Default Defined. The following events shall constitute an "Event of Default" under this Agreement:

- (a) Failure by Lessee to pay any Rental Payment listed on Exhibit "B" for ten (10) days after such payment is due according to the Payment Date listed on Exhibit "B".
- (b) Failure to pay any other payment required to be paid under this Agreement at the time specified herein and a continuation of said failure for a period of three

- (3) days after telephonic notice by Lessor that such payment must be made. If Lessee continues to fail to pay any payment after the three day telephonic notice by Lessor that such payment must be made. If Lessee continues to fail to pay any payment after the three day telephonic notice expires, then Lessor may, but will not be obligated to, make such payments and charge Lessee for all costs incurred plus interest at the highest lawful rate.
- (c) Failure by Lessee to observe and perform any covenant, condition, promise or duty under this Agreement for a period of thirty (30) days after written notice specifying such failure is given to Lessee by Lessor, unless Lessor agrees in writing to an extension of time. Lessor will not unreasonably withhold its consent to an extension of time if corrective action is instituted by lessee. Subsection (c) does not apply to Rental Payments and other payments discussed above.
- (d) Any statement, representation or warranty made by Lessee in or pursuant to this Agreement which proves to be false, incorrect or misleading on the date when made regardless of Lessee's intent and which materially adversely affects the rights or security of Lessor under this Agreement.
- (e) Any provision of this Agreement which ceases to be valid for whatever reason and the loss of such provision would materially adversely affect the rights or security of Lessor.
- (f) Lessee admits in writing its inability to pay its obligations. Lessee defaults on one or more of its other obligations. Lessee applies or consents to the appointment of a receiver or a custodian to manage its affairs. Lessee makes a general assignment for the benefit of creditors.

Section 8.2. <u>Remedies on Default</u>. Whenever any Event of Default exists, Lessor shall have the right to take one or any combination of the following remedial steps:

- (a) With or without terminating this Agreement, Lessor may declare all Rental Payments and other amounts payable by Lessee hereunder to the end of the then current Budget Year to be immediately due and payable.
- (b) With or without terminating this Agreement, Lessor may require Lease to promptly redeliver any or all of the Equipment to Lessor. For such portions of the Equipment freight prepaid on board a carrier as Lessor shall specify to the location specified by Lessor. For equipment which cannot be easily packaged and shipped, Lessee shall deliver the Equipment at Lessee's cost to such place within the State as Lessor shall specify. If Lessee fails to redeliver the Equipment, Lessor may enter the premises where the Equipment is located and

retake possession of the Equipment and charge Lessee for cost incurred. Notwithstanding that Lessor has taken possession of the Equipment, Lessee shall still be obligated to pay the remaining Rental Payments due up until the end of the then current Original Term or Renewal Term. Lessee will be liable for any damage to the Equipment caused by Lessee or its employees or agents.

(c) Lessor will have the right to resell or release the Equipment. If Lessor releases the Equipment for an amount less than the amount they received from Lessee, then Lessor can continue to hold the Lessee liable for the difference in payments up until the end of the then current Original Term or Renewal Term. If Lessor sells the Equipment for an amount less than the then applicable Purchase Option Price, then Lessor can hold Lessee liable for as much of the deficiency as can be paid from the aggregate of the remaining payments in the then current Original Term or Renewal Term.

(d) Lessor may take whatever action at law or in equity that may appear necessary or desirable to enforce its rights as the owner of the Equipment.

Section 8.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to Lessor is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or shall be construed to be a waiver thereof.

Lessor and Lessee have caused this Agreement to be executed in their names by their duly authorized representatives.

Borrower may contest in good faith any such law, ordinance, or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Borrower has notified Lender in writing prior to doing so and so long as, in Lender's sole opinion, Lender's interests in the Collateral are not jeopardized. Lender may require Borrower to post adequate security or a surety bond, reasonably satisfactory to Lender, to protect Lender's interest.

Inspection. Permit employees or agents of Lender at any reasonable time to inspect any and all Collateral for the Loan or Loans and Borrower's other properties and to examine or audit Borrower's books, accounts, and records and to make copies and memoranda of Borrower's books, accounts, and records. If Borrower now or at any time hereafter maintains any records (including without limitation computer generated records and computer software programs for the generation of such records) in the possession of a third party, Borrower, upon request of Lender, shall notify such party to permit Lender free access to such records at all reasonable times and to provide Lender with copies of any records it may request, all at Borrower's expense.

Environmental Compliance and Reports. Borrower shall comply in all respects with any and all Environmental Laws; not cause or permit to exist, as a result of an intentional or unintentional action or omission on Borrower's part or on the part of any third party, on property owned and/or occupied by Borrower, any environmental activity where damage may result to the environment, unless such environmental activity is pursuant to and in compliance with the conditions of a permit issued by the appropriate federal, state or local governmental authorities; shall furnish to Lender promptly and in any event within thirty (30) days after receipt thereof a copy of any notice, summons, itention, directive, letter or other communication from any governmental agency or instrumentality concerning any intentional or unintentional action or omission on Borrower's part in connection with any environmental activity whether or not there is damage to the environment and/or other natural resources.

Additional Assurances. LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Borrower fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Borrower's failure to discharge or pay when due any amounts Borrower is required to discharge or pay under this Agreement or any Related Documents, Lender on Borrower's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on any Collateral and paying all costs for insuring, maintaining and preserving any Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Borrower. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity.

NEGATIVE COVENANTS. Borrower covenants and agrees with Lender that while this Agreement is in effect, Borrower shall not, without the prior written consent of Lender:

Capital Expenditures. Make or contract to make capital expenditures, including leasehold improvements, in any fiscal year in excess of \$_______ or incur liability for rentals of property (including both real and personal property) in an amount which, together with capital expenditures, shall in any fiscal year exceed such sum.

Continuity of Operations. (1) Engage in any business activities substantially different than those in which Borrower is presently engaged, (2) cease operations, liquidate, merge or restructure as a legal entity (whether by division or otherwise), consolidate with or acquire any other entity, change its name, convert to another type of entity or redomesticate, dissolve or transfer or sell Collateral out of the ordinary course of business, or (3) pay any dividends on Borrower's stock (other than dividends payable in its stock), provided, however that notwithstanding the foregoing, but only so long as no Event of Default has occurred and is continuing or would result from the payment of dividends, if Borrower is a "Subchapter S Corporation" (as defined in the Internal Revenue Code of 1986, as amended), Borrower may pay cash dividends on its stock to its shareholders from time to time in amounts necessary to enable the shareholders to pay income taxes and make estimated income tax payments to satisfy their liabilities under federal and state law which arise solely from their status as Shareholders of a Subchapter S Corporation because of their ownership of shares of Borrower's stock, or purchase or retire any of Borrower's outstanding shares or alter or amend Borrower's capital structure.

Agreements. Enter into any agreement containing any provisions which would be violated or breached by the performance of Borrower's obligations under this Agreement or in connection herewith.

CESSATION OF ADVANCES. If Lender has made any commitment to make any Loan to Borrower, whether under this Agreement or under any other agreement, Lender shall have no obligation to make Loan Advances or to disburse Loan proceeds if: (A) Borrower or any Guarantor is in default under the terms of this Agreement or any of the Related Documents or any other agreement that Borrower or any Guarantor has with Lender; (B) Borrower or any Guarantor dies, becomes incompetent or becomes insolvent, files a petition in bankruptcy or similar proceedings, or is adjudged a bankrupt; (C) there occurs a material adverse change in Borrower's financial condition, in the financial condition of any Guarantor, or in the value of any Collateral securing any Loan; or (D) any Guarantor seeks, claims or otherwise attempts to limit, modify or revoke such Guarantor's guaranty of the Loan or any other loan with Lender.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Borrower's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the Indebtedness against any and all such accounts.

DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Payment Default. Borrower fails to make any payment when due under the Loan.

BUSINESS LOAN AGREEMENT (Continued)

Loan No: 19650

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's or any Grantor's property or Borrower's or any Grantor's ability to repay the Loans or perform their respective obligations under this Agreement or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Agreement or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Insolvency. The dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

Defective Collateralization. This Agreement or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the Loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Change in Ownership. Any change in ownership of twenty-five percent (25%) or more of the common stock of Borrower.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of the Loan is impaired.

Right to Cure. If any default, other than a default on Indebtedness, is curable and if Borrower or Grantor, as the case may be, has not been given a notice of a similar default within the preceding twelve (12) months, it may be cured if Borrower or Grantor, as the case may be, after Lender sends written notice to Borrower or Grantor, as the case may be, demanding cure of such default: (1) cure the default within twenty (20) days; or (2) if the cure requires more than twenty (20) days, immediately initiate steps which Lender deems in Lender's sole discretion to be sufficient to cure the default and thereafter continue and complete all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

EFFECT OF AN EVENT OF DEFAULT. If any Event of Default shall occur, except where otherwise provided in this Agreement or the Related Documents, all commitments and obligations of Lender under this Agreement or the Related Documents or any other agreement immediately will terminate (including any obligation to make further Loan Advances or disbursements), and, at Lender's option, all Indebtedness immediately will become due and payable, all without notice of any kind to Borrower, except that in the case of an Event of Default of the type described in the "Insolvency" subsection above, such acceleration shall be automatic and not optional. In addition, Lender shall have all the rights and remedies provided in the Related Documents or available at law, in equity, or otherwise. Except as may be prohibited by applicable law, all of Lender's rights and remedies shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Borrower or of any Grantor shall not affect Lender's right to declare a default and to exercise its rights and remedies.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Lender may hire or pay someone else to help enforce this Agreement, and Borrower shall pay the costs and expenses of such enforcement. Costs and expenses include all reasonable costs incurred in the collection of the Loan, including but not limited to, court costs, attorneys' fees and collection agency fees, except that such costs of collection shall not include recovery of both attorneys' fees and collection agency fees.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Consent to Loan Participation. Borrower agrees and consents to Lender's sale or transfer, whether now or later, of one or more participation interests in the Loan to one or more purchasers, whether related or unrelated to Lender. Lender may provide, without any limitation whatsoever, to any one or more purchasers, or potential purchasers, any information or knowledge Lender may have about Borrower or about any other matter relating to the Loan, and Borrower hereby waives any rights to privacy Borrower may have with respect to such matters. Borrower additionally waives any and all notices of sale of participation interests, as well as all notices of any repurchase of such participation interests. Borrower also agrees that the purchasers of any such participation interests will be considered as the absolute owners of such interests in the Loan and will have all the rights granted under the participation agreement or agreements governing the sale of such participation interests. Borrower further waives all rights of offset or counterclaim that it may have now or later against Lender or against any purchaser of such a participation interest and unconditionally agrees that either Lender or such purchaser may enforce Borrower's obligation under the Loan irrespective of the failure or insolvency of any holder of any interest in the Loan. Borrower further agrees that the purchaser of any such participation interests may enforce its interests irrespective of any personal claims or defenses that Borrower may have against Lender.

Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Kansas without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Kansas.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to

BUSINESS LOAN AGREEMENT (Continued)

demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Borrower, or between Lender and any Grantor, shall constitute a waiver of any of Lender's rights or of any of Borrower's or any Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Notices. Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Borrower agrees to keep Lender informed at all times of Borrower's current address. Unless otherwise provided or required by law, if there is more than one Borrower, any notice given by Lender to any Borrower is deemed to be notice given to all Borrowers.

Severability. If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

Subsidiaries and Affiliates of Borrower. To the extent the context of any provisions of this Agreement makes it appropriate, including without limitation any representation, warranty or covenant, the word "Borrower" as used in this Agreement shall include all of Borrower's subsidiaries and affiliates. Notwithstanding the foregoing however, under no circumstances shall this Agreement be construed to require Lender to make any Loan or other financial accommodation to any of Borrower's subsidiaries or affiliates.

Successors and Assigns. All covenants and agreements by or on behalf of Borrower contained in this Agreement or any Related Documents shall bind Borrower's successors and assigns and shall inure to the benefit of Lender and its successors and assigns. Borrower shall not, however, have the right to assign Borrower's rights under this Agreement or any interest therein, without the prior written consent of Lender.

Survival of Representations and Warranties. Borrower understands and agrees that in making the Loan, Lender is relying on all representations, warranties, and covenants made by Borrower in this Agreement or in any certificate or other instrument delivered by Borrower to Lender under this Agreement or the Related Documents. Borrower further agrees that regardless of any investigation made by Lender, all such representations, warranties and covenants will survive the making of the Loan and delivery to Lender of the Related Documents, shall be continuing in nature, and shall remain in full force and effect until such time as Borrower's Indebtedness shall be paid in full, or until this Agreement shall be terminated in the manner provided above, whichever is the last to occur.

Time is of the Essence. Time is of the essence in the performance of this Agreement.

THIS COMMERCIAL SECURITY AGREEMENT dated August 24, 2023, is made and executed between City Of Osawatomie ("Grantor") and FIRST OPTION BANK ("Lender").

GRANT OF SECURITY INTEREST. For valuable consideration, Grantor grants to Lender a security interest in the Collateral to secure the Indebtedness and agrees that Lender shall have the rights stated in this Agreement with respect to the Collateral, in addition to all other rights which Lender may have by law.

COLLATERAL DESCRIPTION. The word "Collateral" as used in this Agreement means the following described property, whether now owned or hereafter acquired, whether now existing or hereafter arising, and wherever located, in which Grantor is giving to Lender a security interest for the payment of the Indebtedness and performance of all other obligations under the Note and this Agreement:

Purchase Money Security Interest in a Toro ProCare 648 Aerator, Model 9200, with attachments; whether any of the foregoing is owned now or acquired later; all accessions, additions, replacements, and substitutions relating to any of the foregoing; all records of any kind relating to any of the foregoing.

In addition, the word "Collateral" also includes all the following, whether now owned or hereafter acquired, whether now existing or hereafter arising, and wherever located:

- (A) All accessions, attachments, accessories, tools, parts, supplies, replacements of and additions to any of the collateral described herein, whether added now or later.
- (B) All products and produce of any of the property described in this Collateral section.
- (C) All accounts, general intangibles, instruments, rents, monies, payments, and all other rights, arising out of a sale, lease, consignment or other disposition of any of the property described in this Collateral section.
- (D) All proceeds (including insurance proceeds) from the sale, destruction, loss, or other disposition of any of the property described in this Collateral section, and sums due from a third party who has damaged or destroyed the Collateral or from that party's insurer, whether due to judgment, settlement or other process.
- (E) All records and data relating to any of the property described in this Collateral section, whether in the form of a writing, photograph, microfilm, microfiche, or electronic media, together with all of Grantor's right, title, and interest in and to all computer software required to utilize, create, maintain, and process any such records or data on electronic media.

FUTURE ADVANCES. In addition to the Note, this Agreement secures all future advances made by Lender to Grantor regardless of whether the advances are made a) pursuant to a commitment or b) for the same purposes.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Grantor's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Grantor holds jointly with someone else and all accounts Grantor may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Grantor authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the Indebtedness against any and all such accounts.

GRANTOR'S REPRESENTATIONS AND WARRANTIES WITH RESPECT TO THE COLLATERAL. With respect to the Collateral, Grantor represents and promises to Lender that:

Perfection of Security Interest. Grantor agrees to take whatever actions are requested by Lender to perfect and continue Lender's security interest in the Collateral. Upon request of Lender, Grantor will deliver to Lender any and all of the documents evidencing or constituting the Collateral, and Grantor will note Lender's interest upon any and all chattel paper and instruments if not delivered to Lender for possession by Lender. This is a continuing Security Agreement and will continue in effect even though all or any part of the Indebtedness is paid in full and even though for a period of time Grantor may not be indebted to Lender.

Notices to Lender. Grantor will promptly notify Lender in writing at Lender's address shown above (or such other addresses as Lender may designate from time to time) prior to any (1) change in Grantor's name; (2) change in Grantor's assumed business name(s); (3) change in the management of the Corporation Grantor; (4) change in the authorized signer(s); (5) change in Grantor's principal office address; (6) change in Grantor's state of organization; (7) conversion of Grantor to a new or different type of business entity; or (8) change in any other aspect of Grantor that directly or indirectly relates to any agreements between Grantor and Lender. No change in Grantor's name or state of organization will take effect until after Lender has received notice.

No Violation. The execution and delivery of this Agreement will not violate any law or agreement governing Grantor or to which Grantor is a party, and its certificate or articles of incorporation and bylaws do not prohibit any term or condition of this Agreement.

Enforceability of Collateral. To the extent the Collateral consists of accounts, chattel paper, or general intangibles, as defined by the Uniform Commercial Code, the Collateral is enforceable in accordance with its terms, is genuine, and fully complies with all applicable laws and regulations concerning form, content and manner of preparation and execution, and all persons appearing to be obligated on the Collateral have authority and capacity to contract and are in fact obligated as they appear to be on the Collateral. There shall be no setoffs or counterclaims against any of the Collateral, and no agreement shall have been made under which any deductions or discounts may be claimed concerning the Collateral except those disclosed to Lender in writing.

Location of the Collateral. Except in the ordinary course of Grantor's business, Grantor agrees to keep the Collateral at Grantor's address shown above or at such other locations as are acceptable to Lender. Upon Lender's request, Grantor will deliver to Lender in form satisfactory to Lender a schedule of real properties and Collateral togrations relating to Grantor's operations, including without limitation the following: (1) all real property Grantor owns or is purchasing; (2) all real property Grantor is renting or leasing; (3) all storage facilities

Grantor owns, rents, leases, or uses; and (4) all other properties where Collateral is or may be located.

Loan No: 19650

Removal of the Collateral. Except in the ordinary course of Grantor's business, Grantor shall not remove the Collateral from its existing location without Lender's prior written consent. To the extent that the Collateral consists of vehicles, or other titled property, Grantor shall not take or permit any action which would require application for certificates of title for the vehicles outside the State of Kansas, without Lender's prior written consent. Grantor shall, whenever requested, advise Lender of the exact location of the Collateral.

Transactions Involving Collateral. Except for inventory sold or accounts collected in the ordinary course of Grantor's business, or as otherwise provided for in this Agreement, Grantor shall not sell, offer to sell, or otherwise transfer or dispose of the Collateral. Grantor shall not pledge, mortgage, encumber or otherwise permit the Collateral to be subject to any lien, security interest, encumbrance, or charge, other than the security interest provided for in this Agreement, without the prior written consent of Lender. This includes security interests even if junior in right to the security interests granted under this Agreement. Unless waived by Lender, all proceeds from any disposition of the Collateral (for whatever reason) shall be held in trust for Lender and shall not be commingled with any other funds; provided however, this requirement shall not constitute consent by Lender to any sale or other disposition. Upon receipt, Grantor shall immediately deliver any such proceeds to Lender.

Title. Grantor represents and warrants to Lender that Grantor holds good and marketable title to the Collateral, free and clear of all liens and encumbrances except for the lien of this Agreement. No financing statement covering any of the Collateral is on file in any public office other than those which reflect the security interest created by this Agreement or to which Lender has specifically consented. Grantor shall defend Lender's rights in the Collateral against the claims and demands of all other persons.

Repairs and Maintenance. Grantor agrees to keep and maintain, and to cause others to keep and maintain, the Collateral in good order, repair and condition at all times while this Agreement remains in effect. Grantor further agrees to pay when due all claims for work done on, or services rendered or material furnished in connection with the Collateral so that no lien or encumbrance may ever attach to or be filed against the Collateral.

Inspection of Collateral. Lender and Lender's designated representatives and agents shall have the right at all reasonable times to examine and inspect the Collateral wherever located.

Taxes, Assessments and Liens. Grantor will pay when due all taxes, assessments and liens upon the Collateral, its use or operation, upon this Agreement, upon any promissory note or notes evidencing the Indebtedness, or upon any of the other Related Documents. Grantor may withhold any such payment or may elect to contest any lien if Grantor is in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized in Lender's sole opinion. If the Collateral is subjected to a lien which is not discharged within fifteen (15) days, Grantor shall deposit with Lender cash, a sufficient corporate surety bond or other security satisfactory to Lender in an amount adequate to provide for the discharge of the lien plus any interest, costs, attorneys' fees or other charges that could accrue as a result of foreclosure or sale of the Collateral. In any contest Grantor shall defend itself and Lender and shall satisfy any final adverse judgment before enforcement against the Collateral. Grantor shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings. Grantor further agrees to furnish Lender with evidence that such taxes, assessments, and governmental and other charges have been paid in full and in a timely manner. Grantor may withhold any such payment or may elect to contest any lien if Grantor is in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized.

Compliance with Governmental Requirements. Grantor shall comply promptly with all laws, ordinances, rules and regulations of all governmental authorities, now or hereafter in effect, applicable to the ownership, production, disposition, or use of the Collateral, including all laws or regulations relating to the undue erosion of highly-erodible land or relating to the conversion of wetlands for the production of an agricultural product or commodity. Grantor may contest in good faith any such law, ordinance or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Lender's interest in the Collateral, in Lender's opinion, is not jeopardized.

Hazardous Substances. Grantor represents and warrants that the Collateral never has been, and never will be so long as this Agreement remains a lien on the Collateral, used in violation of any Environmental Laws or for the generation, manufacture, storage, transportation, treatment, disposal, release or threatened release of any Hazardous Substance. The representations and warranties contained herein are based on Grantor's due diligence in investigating the Collateral for Hazardous Substances. Grantor hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Grantor becomes liable for cleanup or other costs under any Environmental Laws, and (2) agrees to indemnify, defend, and hold harmless Lender against any and all claims and losses resulting from a breach of this provision of this Agreement. This obligation to indemnify and defend shall survive the payment of the Indebtedness and the satisfaction of this Agreement.

Maintenance of Casualty Insurance. Grantor shall procure and maintain all risks insurance, including without limitation fire, theft and liability coverage together with such other insurance as Lender may require with respect to the Collateral, in form, amounts, coverages and basis reasonably acceptable to Lender and issued by a company or companies reasonably acceptable to Lender. Grantor, upon request of Lender, will deliver to Lender from time to time the policies or certificates of insurance in form satisfactory to Lender, including stipulations that coverages will not be cancelled or diminished without at least ten (10) days' prior written notice to Lender and not including any disclaimer of the insurer's liability for failure to give such a notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. In connection with all policies covering assets in which Lender holds or is offered a security interest, Grantor will provide Lender with such loss payable or other endorsements as Lender may require. If Grantor at any time fails to obtain or maintain any insurance as required under this Agreement, Lender may (but shall not be obligated to) obtain such insurance as Lender deems appropriate, including if Lender so chooses "single interest insurance." which will cover only Lender's interest in the Collateral.

Application of Insurance Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Collateral, whether or not such casualty or loss is covered by insurance. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. All proceeds of any insurance on the Collateral, including accrued proceeds thereon, shall be held by Lender as part of the Collateral. If Lender consents to repair or replacement of the damaged or destroyed Collateral, Lender shall, upon satisfactory proof of expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration. If Lender does not consent to repair or replacement of the Collateral, Lender shall retain a sufficient amount of the proceeds to pay all of the Indebtedness, and shall pay the balance to Grantor. Any proceeds which have not been disbursed within six (6) months after their receipt and which Grantor has not committed to the repair or restoration of the Collateral shall be used to prepay the Indebtedness.

Insurance Reserves. Lender may require Grantor to maintain with Lender reserves for payment of insurance premiums, which reserves shall be created by monthly payments from Grantor of a sum estimated by Lender to be sufficient to produce, at least fifteen (15) days before the premium due date, amounts at least equal to the insurance premiums to be paid. If fifteen (15) days before payment is due, the reserve funds are insufficient, Grantor shall upon demand pay any deficiency to Lender. The reserve funds shall be held by Lender as a general deposit and shall constitute a non-interest-bearing account which Lender may satisfy by payment of the insurance premiums required to be paid by Grantor as they become due. Lender does not hold the reserve funds in trust for Grantor, and Lender is not the agent of Grantor

for payment of the insurance premiums required to be paid by Grantor. The responsibility for the payment of premiums shall remain Grantor's sole responsibility.

Insurance Reports. Grantor, upon request of Lender, shall furnish to Lender reports on each existing policy of insurance showing such information as Lender may reasonably request including the following: (1) the name of the insurer; (2) the risks insured; (3) the amount of the policy; (4) the property insured; (5) the then current value on the basis of which insurance has been obtained and the manner of determining that value; and (6) the expiration date of the policy. In addition, Grantor shall upon request by Lender (however not more often than annually) have an independent appraiser satisfactory to Lender determine, as applicable, the cash value or replacement cost of the Collateral.

Financing Statements. Grantor authorizes Lender to file a UCC financing statement, or alternatively, a copy of this Agreement to perfect Lender's security interest. At Lender's request, Grantor additionally agrees to sign all other documents that are necessary to perfect, protect, and continue Lender's security interest in the Property. Grantor will pay all filing fees, title transfer fees, and other fees and costs involved unless prohibited by law or unless Lender is required by law to pay such fees and costs. Lender may file a copy of this Agreement as a financing statement.

GRANTOR'S RIGHT TO POSSESSION. Until default, Grantor may have possession of the tangible personal property and beneficial use of all the Collateral and may use it in any lawful manner not inconsistent with this Agreement or the Related Documents, provided that Grantor's right to possession and beneficial use shall not apply to any Collateral where possession of the Collateral by Lender is required by law to perfect Lender's security interest in such Collateral. If Lender at any time has possession of any Collateral, whether before or after an Event of Default, Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral if Lender takes such action for that purpose as Grantor shall request or as Lender, in Lender's sole discretion, shall deem appropriate under the circumstances, but failure to honor any request by Grantor shall not of itself be deemed to be a failure to exercise reasonable care. Lender shall not be required to take any steps necessary to preserve any rights in the Collateral against prior parties, nor to protect, preserve or maintain any security interest given to secure the Indebtedness.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Grantor fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Agreement or any Related Documents, Lender on Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Collateral and paying all costs for insuring, maintaining and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon the occurrence of any Event of Default.

DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Loan No: 19650

Payment Default. Grantor fails to make any payment when due under the Indebtedness.

Other Defaults. Grantor fails to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Grantor.

Default in Favor of Third Parties. Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Grantor's property or ability to perform Grantor's obligations under this Agreement or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Grantor or on Grantor's behalf under this Agreement or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Defective Collateralization. This Agreement or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Insolvency. The dissolution or termination of Grantor's existence as a going business, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against any collateral securing the Indebtedness. This includes a garnishment of any of Grantor's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Grantor gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any guarantor, endorser, surety, or accommodation party of any of the Indebtedness or guarantor, endorser, surety, or accommodation party dies or becomes incompetent or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Adverse Change. A material adverse change occurs in Grantor's financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

Cure Provisions. If any default, other than a default in payment, is curable and if Grantor has not been given a notice of a breach of the same provision of this Agreement within the preceding twelve (12) months, it may be cured if Grantor, after Lender sends written notice to Grantor demanding cure of such default: (1) cures the default within twenty (20) days; or (2) if the cure requires more than twenty (20) days, immediately initiates steps which Lender deems in Lender's sole discretion to be sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

RIGHTS AND REMEDIES ON DEFAULT. If an Event of Default occurs under this Agreement, at any time thereafter, Lender shall have all the rights of a secured party under the Kansas Uniform Commercial Code. 8th addition and without limitation, Lender may exercise any one or more of the following rights and remedies:

Loan No: 19650

Accelerate Indebtedness. Lender may declare the entire Indebtedness, including any prepayment penalty which Grantor would be required to pay, immediately due and payable, without notice of any kind to Grantor.

Assemble Collateral. Lender may require Grantor to deliver to Lender all or any portion of the Collateral and any and all certificates of title and other documents relating to the Collateral. Lender may require Grantor to assemble the Collateral and make it available to Lender at a place to be designated by Lender. Lender also shall have full power to enter upon the property of Grantor to take possession of and remove the Collateral. If the Collateral contains other goods not covered by this Agreement at the time of repossession, Grantor agrees Lender may take such other goods, provided that Lender makes reasonable efforts to return them to Grantor after repossession.

Sell the Collateral. Lender shall have full power to sell, lease, transfer, or otherwise deal with the Collateral or proceeds thereof in Lender's own name or that of Grantor. Lender may sell the Collateral at public auction or private sale. Unless the Collateral threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender will give Grantor, and other persons as required by law, reasonable notice of the time and place of any public sale, or of the time and place of any public sale, or the time after which any private sale or any other disposition of the Collateral is to be made. However, no notice need be provided to any person who, after Event of Default occurs, enters into and authenticates an agreement waiving that person's right to notification of sale. The requirements of reasonable notice shall be met if such notice is given at least ten (10) days before the time of the sale or disposition. All expenses relating to the disposition of the Collateral, including without limitation the expenses of retaking, holding, insuring, preparing for sale and selling the Collateral, shall become a part of the Indebtedness secured by this Agreement and shall be payable on demand, with interest at the Note rate from date of expenditure until repaid.

Appoint Receiver. Lender shall have the right to have a receiver appointed to take possession of all or any part of the Collateral, with the power to protect and preserve the Collateral, to operate the Collateral preceding foreclosure or sale, and to collect the rents from the Collateral and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Collateral exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Collect Revenues, Apply Accounts. Lender, either itself or through a receiver, may collect the payments, rents, income, and revenues from the Collateral. Lender may at any time in Lender's discretion transfer any Collateral into Lender's own name or that of Lender's nominee and receive the payments, rents, income, and revenues therefrom and hold the same as security for the Indebtedness or apply it to payment of the Indebtedness in such order of preference as Lender may determine. Insofar as the Collateral consists of accounts, general intangibles, insurance policies, instruments, chattel paper, choses in action, or similar property, Lender may demand, collect, receipt for, settle, compromise, adjust, sue for, foreclose, or realize on the Collateral as Lender may determine, whether or not Indebtedness or Collateral is then due. For these purposes, Lender may, on behalf of and in the name of Grantor, receive, open and dispose of mail addressed to Grantor; change any address to which mail and payments are to be sent; and endorse notes, checks, drafts, money orders, documents of title, instruments and items pertaining to payment, shipment, or storage of any Collateral. To facilitate collection, Lender may notify account debtors and obligors on any Collateral to make payments directly to Lender.

Obtain Deficiency. If Lender chooses to sell any or all of the Collateral, Lender may obtain a judgment against Grantor for any deficiency remaining on the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this Agreement. Grantor shall be liable for a deficiency even if the transaction described in this subsection is a sale of accounts or chattel paper.

Other Rights and Remedies. Lender shall have all the rights and remedies of a secured creditor under the provisions of the Uniform Commercial Code, as may be amended from time to time. In addition, Lender shall have and may exercise any or all other rights and remedies it may have available at law, in equity, or otherwise.

Election of Remedies. Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by this Agreement, the Related Documents, or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Agreement, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Lender may hire or pay someone else to help enforce this Agreement, and Grantor shall pay the costs and expenses of such enforcement. Costs and expenses include all reasonable costs incurred in the collection of the Indebtedness, including but not limited to, court costs, attorneys' fees and collection agency fees, except that such costs of collection shall not include recovery of both attorneys' fees and collection agency fees.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Kansas without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Kansas

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. CITY OF OSAWATOMIE

CITY MANAGER'S REPORT

August 24, 2023

Water Treatment Plant Status:

We are in receipt of our State Revolving Loan Fund paperwork for the water treatment plant and distribution system project. In speaking with Austin Masters with the USDA, he advised that as of August 11, the national office had called back all unspent/uncommitted funds for pooling and reallocation. They are still not hopeful that there will be adequate grant dollars remaining in the pooling process for our project to receive a Letter of Conditions and they further advised that we wait just a bit longer until the start of the new federal fiscal year (October 1) when their new appropriation becomes available, so that is what we are currently waiting on. Everything else is ready to go.

Wastewater Treatment Plant Status:

The UV System has been moved and rechecked by the manufacturer. After having exposed the source of the leak. This tank has a double wall (tank within a tank). The exterior tank is what was leaking and based on where the leak is located, the only way we discovered it was the contractor overfilled the inner tank. In consultation with our engineers, they do agree that a field repair would be acceptable in this instance. If you're curious, ferric chloride is used to remove impurities in the water and can also help in reducing odors. The contractor has submitted pay application #9 in the amount of roughly \$69,000. They are 97% billed out and we are still holding retainage in the amount of 5% of earned value (97%). Additionally, they have provided us with a schedule and according to that schedule, we have provided Crossland Heavy Contractors with a list of items that we need in order to process the substantial certificate, which as of June 14th, we are still waiting on a response to. Once that is issued, and all punch list items have been completed, we will issue the final completion certificates.

Our next issue will be to finish solving the inflow and infiltration (I&I) issue. BG Consultants issued an RFP for CCVT companies to bid to in order to identify sewer lines in the city that have not been part of the previous sewer main rehabilitation phases 1, 2 or 3. Unfortunately, we only received one bid, but they are the most reputable firm that provides this kind of service. Their price was \$110,250. This covers approximately 60,000 LF (<11 miles) of sewer mains. Once the Sewer Rate study is complete, we will be in a better position to make a recommendation as to what the best path forward is to address the balance of the collections system.

Evergy Solar Array Development:

We are having monthly progress meetings with Evergy for the engineering and construction progress. Construction is set to begin in October of this year with energization occurring in 2024. Evergy has submitted their application for a special use permit for the solar array. Notice and publication was made on August 9th for SUP hearing that will take place on September 5th. Once

the hearing is complete, the planning commission has 30 days to forward its recommendation to the city council for council action. That action can occur as soon as October 12th, which is the same day as the groundbreaking and this is the schedule we are working towards.

Levee Certification / Flood Insurance Rate Map Revisions – Status Update:

The flood hazard determination notice was published in the Federal Register on April 3. Pending FEMA approval, the local notices will be published in the Miami County Republic on May 31 and June 7, which starts the 90-day appeal period and we received word via email from the Kansas Department of Agriculture that we are now in that 90-day appeal period.

Anyone who would like to view the current flood insurance rate maps can view them here:

2023 Street Improvements:

Work has all but been completed on Main Street Terrace and 18th Street. Additionally, demolition of Walnut is complete and concrete has started. Once Killough Construction is finished with concrete work on Walnut, they will lay the new asphalt and put the final lift on Main St. Terrace and 18th Street. They will move over to Brown and work from east to west. iSolutions, which is the contractor installing the new water main on Brown Avenue, has finished installing the main and is now working service lines.

Stormwater design on 6th Street continues as well, and as you are aware, we have held our second of four meetings earlier this evening on the project. The next meeting is scheduled for June 22nd. A fourth meeting will be held at the public library on a date that does not coincide with a council meeting. That meeting will be held at the Osawatomie Public Library and be from 6 to 7 pm.

As a reminder, in 2024, the only street that will get reconstructed will be 6th Street and we will need to design the streets around Osawatomie Middle School.

AMI Meter Update:

Our Utilities Director, Terry Upshaw applied for and received \$1,500,000 loan (amount of loan forgiveness is still pending) to assist in the replacing the 20+ year old water and electric meters. This funding is through the Kansas Public Water Supply Loan Fund (KPWSLF).

Lead/Copper Inventory:

Our Utilities Director, Terry Upshaw also applied for and received \$500,000 in a forgivable loan from the same KPWSLF. The amount of loan forgiveness is approximately half (\$245,000). We have currently sent out an RFP to companies to assist in this effort and once those quotes are received, we will bring them to the council for an award.
