То:	Mike Smith, Interim City Manager, City of Osawatomie, KS
From:	Bryan Minnis, Chief Operating Officer, GreatLIFE Golf & Fitness
Date:	February 18, 2020
Re:	GreatLIFE Veterans Ventures – Veteran's Internship & Housing Initiative

GreatLIFE Golf & Fitness the current consulting partner of Osawatomie Golf Course, wishes to vet the interest of the Osawatomie city government regarding and opportunity to install the GreatLIFE Veterans Ventures program at Osawatomie Golf Course. The GreatLIFE Veterans Ventures program offers housing, and a 6 to 9-month golf operations internship for up to six qualified veteran candidates. These candidates will be hand selected by GreatLIFE and the city of Osawatomie and will be required to meet a standard of both work and personal conduct to enter and remain in the program. The program calls for the construction of 3 cabins to be built on property that will house 6 interns during their work internship. Both the cabins (including the ongoing costs to maintain and provide utilities) and the cost of up to 6 months wages for each intern will be provided by the Department of Defense's veterans transition programs and charitable donations provided by GreatLIFE and partnering support organizations and individuals. GreatLIFE will provide training in every aspect of the golf and recreation industry along with job placement opportunities and assistance post internship completion. Initially there will be only one GreatLIFE Veterans Ventures location for the state of Kansas and one for the state of Missouri. This program will bring a number of positive impacts to Osawatomie Golf Course and to the City by creating regional and national recognition throughout the golf and military communities, operational cost savings through supplemented wage provision, improved and increased employee pools, and most importantly the opportunity to for the city of Osawatomie to participate in giving back to the deserving veteran community a program that will help veterans learn skills that will benefit them for the rest of their vocational lives.

GreatLIFE requests the opportunity to share in detail the details of this program including the timeline to establish the program at the February 27th, city council meeting. In attendance will be Bryan Minnis, Chief Operating Officer, and Robert Happeny, CEO of GreatLIFE Veterans Ventures.

TIMELINE

STAFF AGENDA MEMORANDUM

DATE OF MEETING: February 13, 2020

AGENDA ITEM: Purchase of HVAC for the Osawatomie Fire Station

PRESENTER: Fire Chief Brian Love

ISSUE SUMMARY: The Osawatomie Fire Department is building out the fire station for a training room, and office space. The HVAC (Heating and Cooling) is an intricate part of this buildout and must be completed before the buildout can be completed. The following table summarizes the bids received:

Company	Bid
Bradley Heating and Cooling	\$12,500.80
Legacy Mechanical	<mark>\$13,040.00</mark>
Holsinger Heating and Cooling	\$14,800.00
USA Mechanical	REFUSED TO BID
South County Heating and Cooling	REFUSED TO BID

The low bid was received from Bradley Heating and Cooling, however the bid is for multiple units. Due to the cost and increased labor of servicing multiple units we have decided to use a single, zoned system from Legacy Mechanical.

COUNCIL ACTION NEEDED: Review, discuss, and determine whether to approve the purchase.

STAFF RECOMMENDATION TO COUNCIL: Although not the low bid, staff wish to use the bid from Legacy Mechanical for the ease of the single, zoned system and the future upkeep and cost of repairs for the system.
