## Our Events:

- Miami County Job Fair, August 2013-

Co-planned with Miami County Economic Development, this event was held at Memorial Hall during afternoon and evening hours. Over 20 firms representing over 200 F/T, P/T \& Seasonal positions participated. KansasWorks was on hand to assist with resume preparation, interview advice, and shared job skill training information. Close to 200 people attended this event, far surpassing our expectations. Due to the tremendous response, we are planning to offer this event annually and have selected August $7^{\text {th }}$ as the 2014 date and it will be held at Osawatomie High School to allow more room for participants.

- Back to School Watermelon Feed, August 2013-

We set up a booth at the OHS Football \& Volleyball Scrimmage and gave out free slices of watermelon that we purchased from Moon's. New district staff was introduced. We also cosponsored one of the fall "Trojan Tailgates" at the football game by providing drinks and dessert.

- Kansas City Convention \& Visitors Association Familiarization Tour, August 2013-

The Chambers of Miami County and Miami County Economic Development arranged this tour to promote Miami County and all of its attractions to 20 members of the KCCVA Staff. Trip included lunch in Louisburg and pre-arranged stops in each community. Much information was shared and the group has since made the decision to include Miami County attractions and events in its regional marketing plan, which was our goal.

- The 2013 Spook Parade \& Boo Bash, October 2013-

We once again collaborated with the O-Zone and the OHS Dazzlers to include 10 games and food drive inside the City Auditorium, prior to the start of the parade. The OHS and OMS Bands led the parade and 8 Groups participated in trunk or treat. We gave away 250 trick or treat bags to the kids. The weather cooperated and we had a great turnout.

- Chamber Annual Dinner, October 2013

Held at the Grand Loft, board members were recognized for years of service and new board members were announced. Citizen of the Year nominations were held before the event and the winner, Dave French, was announced that evening following a short program on his

Community Garden project. Former Royals player, Mike Macfarlane spoke to the 100+ guests about using small town values to enhance your career and the importance of giving back. Chris's Cafe \& Moon's Hometown Market split the catering and members of Sub Debs were our servers. We added a theme and table sponsorships as a way to enhance the evening and raise additional funds to help offset the expense of this annual event.

- Multi-Chamber After Hours at Cedar Cove Feline Park, October 2013

The four chambers of Miami County invited their members for an evening of networking. Food was provided by several Miami County eating establishments, the wineries were in attendance, and we had great weather for the evening event. We had about 300 people in attendance including members of the KCCVA.

## - Small Business Saturday Promotion, November 2013

This American Express event has expanded throughout the country. As a chamber, we were able to order promo and marketing materials to distribute to our local businesses, including signage, shopping bags, entry mats, pens, stamps, balloons, etc. Businesses were encouraged to use those materials and their own ideas to promote local shopping on Thanksgiving weekend, which we also promoted for Osawatomie as a whole.

- The Christmas Festival, November 2013

We collaborated with Partners in Education and the Osawatomie Rotary Club to plan this event on the Saturday before Thanksgiving. We had a record number of registered vendor booths and a scheduling conflict at OMS, which prompted the move to the OHS gyms, so all the crafters could be under one roof. Sleigh rides, pictures with Santa, advertised business specials, the Rotary Pancake Feed, a performance by Paola School of Dance and the traditional Holiday prize drawings and lighting ceremony were held at the Auditorium. A FREE Santa Shuttle ran all day between the two venues. Businesses sponsored a record number 74 Turkeys/Hams for the giveaway, along with many other donated prizes. The Mayor's Christmas Tree contest and an OHS Art Show Display were new additions this year. Miss Osawatomie 2013, Ariel Cooley, had the honor of switching on the Christmas lights.

## - 12 Days of Christmas Shopping Promotion, December 2013

We began doing this 4 years ago and it's open to any local business that returns their registration form by the deadline. Businesses submit a list of 12 "specials" leading up to Christmas, that we promote using e-mail, social media, ads in the paper, and fliers to promote shopping local and supporting local businesses during the Holiday Season. By sharing all the specials, people can better plan their shopping based around their gift lists and what is on sale what day.

- Legislative Breakfast, February 2014

100 people attended. The school district provided the meal. Senator Caryn Tyson and Senator Pat Apple, along with Representative Kevin J ones and Jene Vickrey were all in attendance, along with city and county officials. Boy Scout Troop 106 presented the flags and Mayor Mark Govea served as moderator. It was a lively crowd this year and many hot topics were discussed.

- Tourism Site Mixer for greater Miami County, February 2014

This first time event was co-planned with the other Miami County Chambers and Economic Development for the purpose of getting all the sites together in one room to network and get to know each other and to share info about all the great things we have to offer, right here, in our own back yard. Reps from the KCCVA and Kansas dept. of Wildlife and Parks did presentations on how to market within their organizations and resources available to our tourism sites. Over 60 people attended and shared their info and marketing materials for
cross promoting in the future. Feedback was very good and we hope to hold another similar get together next year.

- President's Day Cherry Pie Promotion, February 2014

We partnered with Chris's Café and Moon's Hometown Market Deli offer a free slice of pie to anyone shopping locally and spending at least \$5 in an Osawatomie and/or Chamber business that day. By showing their receipt, 55 local shoppers enjoyed their pie at the café or took it with them in a to-go box from the store. No additional purchase was necessary, but some are skeptical of "free". Both locations reported that they had to tell most customers about it despite newspaper, social media, e-mail advertising and large fliers. Total Expense for us was $\$ 107$ : Rewarding and encouraging people to shop locally and support their community- Priceless.

- Candidates' Forum for local races, March 2014

Co-planned with the Osawatomie Graphic, this forum was intended to introduce the challengers to the public and to focus on the contested races. Attendance was ridiculously low. All current and interested City Council members were invited. Mike Moon served as moderator. The Ward 3 race was the focus and both parties were given the opportunity to answer questions.

- 6th Annual Home and Business Expo, March 2014

This event continues to grow every year and was held at Trojan Elementary. We expanded to include a local J ob Fair and Health Fair this year, due to the added space available at that location. 46 Booth holders, 14 of which were offering jobs and 8 in the health fair section offering a variety of screenings. Lakemary Recycling was on site accepting paper and ewaste and had a tremendous day. The OHS Art Students had their flamingoes on parade and the overall theme of the day was a Tropical one. Booth holders could decorate for a chance to win a FREE booth next year. Live entertainment and demonstrations throughout the day kept a steady flow of traffic through the doors. We offered set up times Friday evening and Saturday morning which made it easier for the businesses. Easter Bunny/Spring pics were offered and KWJ P's Nich Marchi was the DJ/announcer. Attendance was up and the feedback was great.

- Multi Chamber After Hours Networking Event, May 2014

This event was planned through the cooperation of all four Miami County Chambers and we expanded to include Garnett, Ottawa, Baldwin, La Cygne, Gardner and Wellsville members this year. The weather was cooler than average and about 200 people attended and enjoyed free food and drinks, boat rides, a demonstration by the Miami County Dive team, door prizes, and networking. It was a great evening and we're currently planning a similar event this fall, location TBA.

- John Brown Jamboree, 2014

We planned and executed the Miss Osawatomie Pageant for the 3rd year in a row. We had 62 participants (up 10 from last year) in grades K-12. It was once again free to participate and the judging included a private interview and 2 outfits. We offered optional practices ahead of time and most of the contestants attended. All the contestant pictures were included in the J amboree booklet, which they really liked. Girls were offered the opportunity to sell discount tickets to the concert for a chance to win VIP concert tickets, admittance to the Eat \& Greet with the bands, and a chance to meet Bucky Covington before the show. Selling had no bearing on the pageant scores and was optional. 40 girls participated, and sold a total of 383 tickets (up 200 from last year) which raised over $\$ 1900$ for the event. All contestants were invited to ride in the parade and Amanda Moon let them all congregate in her yard and shared pre-parade food and refreshments. This contest qualifies the Queen to
go on to compete in the preliminaries for the Miss Kansas Competition, if she chooses. Larissa Harrison is the 2014 Miss Osawatomie Queen. A committee made up of Chamber board members, past queens, members of the community, and myself executes this event every year. The event is free to participants but we do give them the option of purchasing a specially designed pageant $t$-shirt each year, which helps to offset the expenses. Despite a last minute location change due to soggy weather, the event went smoothly. Mayor Mark was the emcee for the event and did a great job.

- Business Appreciation Award Reception

Several months ago the KDOC requested nominations for Business Appreciation Month. We shared that information and encouraged people to nominate local businesses. It paid off. Three Osawatomie businesses: Donna \& Viola's, MiLadys Hair Salon, and Life Care Center were all selected as 2014 Merit Award winners. Not only do we have three from the same community, they are the only award recipients in Miami County and surrounding areas! Life Care is hosting the Award Reception on Thursday, July $10^{\text {th }}$ at $5: 00 \mathrm{pm}$. It's open to the public. KDOC representatives will be there to present the awards to these three businesses.

- Chamber Coffees

These are held monthly, typically the $2^{\text {nd }}$ Tuesday of the month, at the request of local businesses. I attend and share pertinent Chamber info at the beginning, then turn it over to the hosting business to share information about their operations, staff, history, and goals. There are usually 15-20+ attendees, and the socializing/network portion lasts about half an hour.
A couple of weeks later, the host business is featured in the following month's newsletter in the "Business Spotlight" section. The newsletter is e-mailed and mailed to $300+$ recipients. This article gives those unable to attend, a look into the workings and the people of one of our local businesses, every month. We want to share this information so that citizens will think about supporting their local businesses and looking here first, when they shop. Some months, there are two. In the past year, we have held 7 coffees.

## - Quarterly Membership Meetings

We hold these several times per year at Whistle Stop, over the noon hour. We invite a guest speaker to discuss a topic we think is relevant and interesting to our Membership. Typically very lightly attended, we've began offering these as a piggyback to a Rotary meeting to insure attendance.
Topics this past year have included Microsoft Office software information, school bond construction and Miami County J ail information, and more.
These meetings average 20 people in attendance. We hope and assume that as long as the information is good, the attendees will share the information with others. Information on these meetings and prominent points are also mentioned in the following month's newsletter.

## Summary:

The Board and I have worked hard this past year to build the Chamber through activities, visibility, fiscal responsibility, and community involvement.

Our strong underlying belief is that when people work together, great things can happen. If it's good for city, then it's good for the businesses, which in turn is good for our schools. It's all related. Attitude often reflects leadership. When you get a group of individuals working together and doing the best they can, for the greater good, progress will come. If we believe in and support our community, so will others.

We'd like to express our appreciation to the City Council, City Manager, and Mayor Mark for your continued support and funding of this organization. We appreciate all you do for this community and enjoy working together to make it a nicer place for everyone.

Shelagh Wright
