COMMENTS FROM THE PUBLIC.

Brandon Badders spoke regarding the special use vehicles. He felt that we are stressing on things such as bed size that he didn't think that we should. Said special use vehicles could be used for little things such as running to the grocery store, that would be beneficial for families.

Clint Graham spoke regarding the special use vehicles. Felt we are catering more towards golf carts than other vehicles, as well as stressing over more atv wrecks than golf carts. When in fact there are several golf cart wrecks reported. * City Manager Cawby spoke and said this could be discussed more later on in the evening when we are on that item.

Jessie Krigger spoke regarding the special use vehicles. Said he has a golf cart that is state tagged, has lights and a seat belt. Asked if this was ok. Mayor Govea stated as of right now we do not allow it, but we are not enforcing it like we should. * City Manager Cawby spoke and said this could be discussed more later on in the evening when we are on that item.

Ken Tyson with the Vineyard of Hope church spoke about his church. New things are happening and moving in the right direction.
