COMMENTS FROM THE PUBLIC.

Wayne Ova, Faith Baptist Church, will be hosting a Trunk or Treat at their church 601 Retan. Still continuing the city union mission and monthly chapel service at the Osawatomie State Hospital.

Gary Ogden, Rohrer Heights, requesting street patch work on Oak Drive and Rohrer Heights. There are two water meters on his property that were sunk pretty bad, they have raised them and now they are too high. He is requesting that those go back to ground level. The house on the corner of Rohrer Heights and Parker is in sad shape, is it possible to condemn. Thinks something needs to be done with old cars that are sitting around and not moving.

Tisha Oakley, 160 14th, feels the speed limit on her street is too high and witnessed a child almost get hit last week. Has had a petition signed by neighbors to request the speed limit get lowered to 15 mph and a sign marking that it is a dead-end street.

Keith Oakley, 160 14th, wanted to inform that according to the National Highway Traffic Safety Administration it takes 144 feet to stop a vehicle going 30 mph and 30 feet to stop a vehicle going 15 mph.

Lindon Watson, 150 14th, he just moved into the 14th street area and his vehicle was hit while it was parked on the road. Shortly after another neighbor's vehicle was struck as well.

Johnathan Watson, 150 14th, has witnessed vehicles speeding down 14th street and a constant flow of traffic of vehicles that do not live on the street.

Brianna Watson, 150 14th, mentioned that vehicles are getting hit on the street and a lot of traffic on the street. Would like to do something for the veterans and is currently speaking with
