## Let's Go Trojans!

It's Homecoming Week at Osawatomie High School and the community showed up in full red and white spirits for the newly reinvigorated Homecoming Parade on Wednesday. The new parade route took participants from Trojan Elementary School and led them down Parker Avenue to Osawatomie High School and Lynn Dickey Field. The stadium was a buzz of community revelry as the school hosted a free tailgate party with hotdogs and lots of homecoming reminiscing.

## Public Library Delivers

The Osawatometie Public Library, led by Library Director Dr. Morgan Menefee, applied for and won a grant that allowed for increased services to senior or homebound residents. Dr. Menefee applied the funds toward a Kindle program for the residents of Vintage Park at Osawatometie. The grant provided funding for three Kindles (e-readers) and Dr. Menefee delivered them personally to the facility and

gave lessons on accessing resources such as movies, books, music, and more. The library's Hoopla app is used to rent books from the library's catalog. Like all library services, the Kindle and Hoopla apps are free for residents to use and the Library is glad to help put more resources into the hands of our most treasured friends and neighbors.

Thank you, Osawatometie Public Library!
