It's getting HOT HOT HOT out there! If you're in need of a place to cool off, Osawatomie Public Library makes a great retreat during regular business hours.

Our friends at Miami County, Kansas Sheriff have also opened their Community Room as a cooling center for 24/7 shelter from the excessive heat.

TEMP MAIN ST DETOUR

City of Osawatomie Public Works officials have announced an upcoming TEMPORARY closure of Main Street between 7th and 12th for necessary work beginning on August 2nd, 2023.

This closure is expected to last two to three weeks, weather permitting, and is essential to connect the new storm sewer for Brown Avenue into the existing storm sewer on Main Street. During this work, the affected area will be completely closed to all traffic. Since this is part of the Brown Avenue project, Brown Avenue from 7th Street to 12th Street will also be closed to through traffic at the same time. We ask that you do not travel around the barricades during this work. Barricades on 7th Street and 12th Street will be adjusted to allow use of those streets without going around barricades.

NEWS AND REMINDERS

CONCRETE WORK - WALNUT

Installation of new concrete curb, gutter, and driveway approaches for Walnut Avenue (between 4th and 6th Streets) began on 7/24/2023. Please have all vehicles removed from the street and driveways no later than 6 am each day until concrete is complete. The curb and gutter will be laid using a machine and move quickly through the project. Any vehicles still on the street will be towed at owner's expense. The concrete contractor will follow behind the machine to begin work on the driveway approaches. The contractor has estimated that they will be able to install all driveway approaches within 2-3 days after curb and gutter is completely installed. Driveways will be completely INACCESSIBLE while the concrete cures. Please be sure to move vehicles out of garages/driveways if you will need access to them during this time.

OZ COMMONS COMMUNITY HUB

what's "the hub"

The downtown space currently known as Main Street Plaza is getting ready for another round of transformative development and we need your input! The Planning Sustainable Places "Phase II" Implementation Grant for the downtown space is underway this summer. [Get caught up on future of "The Hub"](#) and [take our survey](#) by visiting us online or requesting a paper copy through City Hall.

EAGLE SCOUT PROJECT APPROVED

After a detailed presentation, City of Osawatomi City Council representatives voted unanimously to approve the proposed Eagle Scout Service Project for local Boy Scout Caleb Sampson. Caleb is 16-years-old and a member of Troop 0106 of Osawatomi. His Eagle Scout service project will include renovating landscaping around Memorial Hall, installing low profile benches around the facility, and repainting exterior trim pieces of the facility like the doors, windows, and handrails.

Caleb and his team are looking for donations or volunteers! If you're interested in supporting this amazing project, please reach out to City staff who can help connect you.
