## A Chautauqua

Immerse yourself in living history on Saturday, March 25th beginning at 7:00pm, the Old Stone Church's CHAUTAUQUA presentation! This is a FREE event for the public.

"Chautauqua was a cultural and social movement that started in upstate New York in the 1870s and flourished until the mid 1920s. During this time, hundreds of touring chautauquas presented lectures, dance, music, drama, and other forms of "cultural enrichment". Teddy Roosevelt once called the traveling Chautauquas 'the most American thing in America.' This form of live entertainment faded with the growing popularity of radio and motion pictures." - *From Chautauqua.org*
