Visit us at 527 Brown Avenue!

The John Brown Museum State Historic Site invites you to its **spring Chautauqua at the Old Stone Church on Saturday, March 23 at 7:00pm.** This free event features Jeanne Dagenet, an active volunteer of the Miami County Kansas Historical Museum and a citizen of the Miami Tribe of Oklahoma, who will be presenting on the local Native American experience before, during and after the government-forced removals.

## CONSTRUCTION CONTINUES

Utility construction in the 6th Street reconstruction project has advanced north of Brown Avenue. Contractors are working on replacing and relocating water lines throughout the corridor ahead of street construction activities. Side streets may be impacted by temporary closures as machinery moves in and out throughout the day.

Both lanes of traffic are still closed between Kelly Avenue and the levee. As was previously announced, after this first portion of construction is completed, City staff and contractors plan to keep southbound traffic open at all times for the duration of the project though the available lane may alternate depending on work being performed. Please pay close attention to route signage, cones, and work zone speed limits!
